We are going</p> <p>4 on the record at 9:04 a.m. on October 5th, 2022.</p> <p>5 Please note this deposition is being conducted</p> <p>6 virtually. Quality of recording depends on quality of</p> <p>7 camera and internet connection of participants. What</p> <p>8 is seen from the witness and heard on the screen is</p> <p>9 what will be recorded. Audio video recording will</p> <p>10 continue to take place unless all parties agree to go</p> <p>11 off the record. This is the video-recorded deposition</p> <p>12 of Todd Godfrey in the matter of Anthony Sessa and Mark</p> <p>13 Sessa versus Ancestry, et al.</p> <p>14 My name is Andrea Francis representing</p> <p>15 Veritext. I am the videographer. At this time can all</p> <p>16 counsel present, please, state their appearance, along</p> <p>17 with who they represent beginning with the noticing</p> <p>18 attorney.</p> <p>19 MS. BORRELLI: Raina Borrelli from Turke &</p> <p>20 Strauss on behalf of the plaintiffs and joined by</p> <p>21 Abraham Barkhordar from Morgan & Morgan and Ben Osborn</p> <p>22 of Benjamin Osborn Law Office on behalf of the</p> <p>23 plaintiffs also.</p> <p>24 MR. BAUMANN: John, or Jack, Baumann of</p> <p>25 Quinn Emanuel for Ancestry and the witness, and with me</p>

CONFIDENTIAL

<p style="text-align: right;">Page 6</p> <p>1 today is Christina Henriquez, also Quinn Emanuel, as 2 well as Kathleen McCarthy, who is in-house counsel for 3 Ancestry. 4 VIDEOGRAPHER: The court reporter, Ann 5 Fleming, will swear in the witness and then counsel may 6 proceed. 7 8 TODD GODFREY, 9 called as a witness, being first sworn, 10 was examined and testified as follows: 11 12 EXAMINATION 13 BY MS. BORRELLI: 14 Q. Good morning, Mr. Godfrey. As I said, my 15 name is Raina Borrelli and I represent the plaintiffs 16 in the action that we are here to talk about today. 17 Mr. Godfrey, have you ever had your deposition taken 18 before? 19 A. No. 20 Q. Well, welcome. I will make this as 21 painless as possible. I'd like to just cover some 22 ground rules before we get started to make today go 23 smoothly. First, as you can see, we have a court 24 reporter here taking down everything that we say. As a 25 result we need to be careful not to speak over one</p>	<p style="text-align: right;">Page 8</p> <p>1 Q. Happy to take a break whenever you need 2 today. Just let me know. I usually tend to take 3 breaks every hour or so just to give us all a moment to 4 stretch, but if you ever need one before then, let me 5 know. 6 A. Sounds good. 7 Q. All right. You understand, Mr. Godfrey, 8 that you are under oath today, correct? 9 A. I do. 10 Q. And that's the same oath that you would 11 take if you were in court. Do you understand that? 12 A. I do. 13 Q. Is there anything that would prevent you 14 from testifying truthfully today? 15 A. No. 16 Q. And where are you located today, 17 Mr. Godfrey? 18 A. I'm in the Ancestry offices in Lehi, Utah. 19 Q. Okay. And is anyone else in the room with 20 you at the moment? 21 A. Yeah, internal counsel, Kathleen McCarthy. 22 Q. But no one else? 23 A. No one else. 24 Q. So do you understand that you have been 25 asked to testify on behalf of Ancestry today as what's</p>
<p style="text-align: right;">Page 7</p> <p>1 another, so I ask that you let me finish my question 2 before you provide your answer and I will do the same 3 for you, okay? 4 A. Sure. 5 Q. And non-verbal responses are difficult for 6 the court reporter to take down, so, please, no head 7 shakes or head nods. Also uh-huh's (affirmative) or 8 huh-uh's (negative) are difficult to record, so, 9 please, avoid those and try to give a verbal response, 10 okay? 11 A. Okay. 12 Q. If you don't understand a question that I 13 ask, please, ask me to rephrase, and I'm happy to do 14 that. Okay? 15 A. Yes. 16 Q. But if you answer the question that I've 17 asked you, I will assume that you understood the 18 question; is that fair? 19 A. Yes. 20 Q. Your attorney, Mr. Baumann, may object 21 from time to time today, but unless he instructs you 22 not to answer the question, after he finishes his 23 objection, you can go ahead and provide an answer. 24 Okay? 25 A. Yes.</p>	<p style="text-align: right;">Page 9</p> <p>1 called the Rule 30(b)(6) witness? 2 A. I do. 3 Q. And you understand that your answers to my 4 questions in your 30(b)(6) deposition will be as if 5 Ancestry is answering, correct? 6 A. Yes. 7 Q. Okay. And are you aware that you have 8 also been asked to appear individually as a witness, 9 just as Todd Godfrey, in this action? 10 A. Yes. 11 Q. Okay. And I just want to put on the 12 record before we get started, Mr. Baumann and I had a 13 conversation yesterday and we're going to do the 14 30(b)(6) deposition at the same time as your individual 15 deposition. So if there's ever a time that I've asked 16 you a question and you think you can't answer it on 17 behalf of Ancestry, but you have an answer as yourself, 18 Todd Godfrey, please, let me know. 19 MS. BORRELLI: And, Jack, as we discussed, 20 I think it's easiest that we agree you can go back and 21 stipulate or identify areas of the transcript that are 22 30(b)(1) rather than 30(b)(6) testimony after the fact, 23 but, obviously, feel free to make your objections as we 24 go today. 25 MR. BAUMANN: Yeah, I suspect there won't</p>

CONFIDENTIAL

<p style="text-align: right;">Page 10</p> <p>1 be many, but that works fine.</p> <p>2 MS. BORRELLI: Great. Then we can</p> <p>3 hopefully get this done as expeditiously as possible.</p> <p>4 Q. Okay, Mr. Godfrey, do you have access to</p> <p>5 the Exhibit Share website?</p> <p>6 A. I'm not sure that I do. I've got the</p> <p>7 login for the Veritext site. Does that launch the</p> <p>8 Exhibit Share?</p> <p>9 Q. It should have a link to Exhibit Share.</p> <p>10 If not, we may have to go off the record and make sure</p> <p>11 you have that. That's how I will be giving you</p> <p>12 information today.</p> <p>13 A. Give me a moment to just get into it and</p> <p>14 see. It is requesting a password that I don't know.</p> <p>15 MS. BORRELLI: Okay. Can we go off the</p> <p>16 record for just a minute, please.</p> <p>17 VIDEOGRAPHER: The time now is 9:10 a.m.</p> <p>18 We are off the record.</p> <p>19 (Break)</p> <p>20 VIDEOGRAPHER: The time now is 9:14 a.m.</p> <p>21 We are back the record.</p> <p>22 Q. All right. Mr. Godfrey, I'm going to</p> <p>23 introduce Exhibit Number 1.</p> <p>24 (Exhibit 1 marked)</p> <p>25 Q. It should show up in your Exhibit Share in</p>	<p style="text-align: right;">Page 12</p> <p>1 to the Exhibit A, which has a list of topics. Are you</p> <p>2 prepared to testify about the topics identified in</p> <p>3 Exhibit 1 today with the exception of number 7, which I</p> <p>4 understand your counsel has objected to? I can scroll</p> <p>5 through these, too, if that helps.</p> <p>6 A. Yes.</p> <p>7 MR. BAUMANN: Sorry, for this purpose,</p> <p>8 I'll just -- I think we can probably refer back to our</p> <p>9 somewhat lengthy correspondence as to the scope the</p> <p>10 topics which is set out fairly specifically there.</p> <p>11 Q. I can rephrase my question. So subject to</p> <p>12 the agreements between counsel about the scope of these</p> <p>13 requests, are you generally prepared to testify about</p> <p>14 the topics identified in the 30(b)(6) notice today?</p> <p>15 A. Yes.</p> <p>16 Q. Okay. Mr. Godfrey, what did you do to</p> <p>17 prepare for your 30(b)(6) deposition today?</p> <p>18 A. Discussed with counsel so I would be</p> <p>19 familiar with some of the details of the case and</p> <p>20 reviewed my own history with my own information with</p> <p>21 respect to the scope of the case.</p> <p>22 Q. When you say you discussed with counsel,</p> <p>23 who specifically did you meet with to prepare for this</p> <p>24 deposition?</p> <p>25 A. Kathy McCarthy and Jack Baumann.</p>
<p style="text-align: right;">Page 11</p> <p>1 just a moment. Do you see Exhibit Number 1?</p> <p>2 A. I don't. Let me just refresh. Nothing</p> <p>3 yet.</p> <p>4 MR. BAUMANN: The folder, it will refresh</p> <p>5 it so it pops up. That worked for me.</p> <p>6 A. I've checked both home and under files</p> <p>7 shared and it refreshed and it says I don't have</p> <p>8 permission to access any folder.</p> <p>9 Q. Okay. I will send exhibits via the chat</p> <p>10 then, I suppose. We need to go off the record a</p> <p>11 minute, please.</p> <p>12 VIDEOGRAPHER: Time now is 9:17 a.m. We</p> <p>13 we are off the record.</p> <p>14 (Break)</p> <p>15 VIDEOGRAPHER: The time now is 9:19 a.m.</p> <p>16 We are back on the record.</p> <p>17 Q. Okay. Mr. Godfrey, I'm gonna share my</p> <p>18 screen and show you Exhibit Number 1, which is</p> <p>19 Plaintiffs' Notice of Deposition Pursuant to Rule</p> <p>20 30(b)(6). Can you see Exhibit 1, Mr. Godfrey?</p> <p>21 A. Yes, I can see looks like the first page</p> <p>22 of the notice.</p> <p>23 Q. Have you seen this document before?</p> <p>24 A. I have.</p> <p>25 Q. All right. And I'm going to scroll down</p>	<p style="text-align: right;">Page 13</p> <p>1 Q. Approximately how many times did you meet</p> <p>2 with Ms. McCarthy and Mr. Baumann to prepare for your</p> <p>3 deposition?</p> <p>4 A. Multiple times, maybe three or four.</p> <p>5 Q. Approximately how long was each of those</p> <p>6 three or four meetings?</p> <p>7 A. Varied in length, but maybe a couple</p> <p>8 hours.</p> <p>9 Q. Was anyone else ever present at those</p> <p>10 meetings other than Ms. McCarthy and Mr. Baumann?</p> <p>11 A. No, not that I recall, no.</p> <p>12 Q. You said you also reviewed some of your</p> <p>13 own information. What information did you review to</p> <p>14 prepare for today?</p> <p>15 A. I reviewed the information shared in the</p> <p>16 case, the notice, the responses and we provided and</p> <p>17 some of the historical agreements around our yearbooks</p> <p>18 project work.</p> <p>19 Q. Did you review any documents that you</p> <p>20 don't believe have been produced to plaintiffs in this</p> <p>21 case?</p> <p>22 A. I don't think so.</p> <p>23 Q. Did you speak with any other Ancestry</p> <p>24 employees other than Ms. McCarthy to prepare for your</p> <p>25 deposition today?</p>

CONFIDENTIAL

<p style="text-align: right;">Page 14</p> <p>1 A. Yes.</p> <p>2 Q. Who did you speak with?</p> <p>3 A. I spoke with Quinton Atkinson.</p> <p>4 Q. Can you spell that for the record, please?</p> <p>5 A. Quinton, Q-U-I-N-T-O-N, at Atkinson,</p> <p>6 A-T-K-I-N-S-O-N.</p> <p>7 Q. And Mr. Atkinson is employed by Ancestry?</p> <p>8 A. Yes, he is.</p> <p>9 Q. What is his role in the company?</p> <p>10 A. He is a senior director of content</p> <p>11 acquisition.</p> <p>12 Q. What does that mean as far as his job</p> <p>13 duties?</p> <p>14 A. He was involved in some of the work with</p> <p>15 Classmates and other sources of yearbooks over the</p> <p>16 years.</p> <p>17 Q. For what purpose did you speak with Mr.</p> <p>18 Atkinson?</p> <p>19 MR. BAUMANN: Wait, I'm sorry, I'm just</p> <p>20 going to interpose an objection just to caution</p> <p>21 Mr. Godfrey, to the extent you and Mr. Atkinson</p> <p>22 discussed information that had been given to you by</p> <p>23 counsel, I would object to that as privileged and</p> <p>24 instruct you not to respond to the extent you and Mr.</p> <p>25 Atkinson discussed things that are unrelated to advice</p>	<p style="text-align: right;">Page 16</p> <p>1 earlier than the scope of the case.</p> <p>2 Q. What sort of agreements?</p> <p>3 A. We've been acquiring yearbooks for over a</p> <p>4 decade and I was trying to understand the full history.</p> <p>5 Q. Okay. Do you have any documents with you</p> <p>6 today?</p> <p>7 A. I don't.</p> <p>8 Q. Mr. Godfrey, what is your job title?</p> <p>9 A. Vice President of Global Content.</p> <p>10 Q. How long have you held that position?</p> <p>11 A. This specific position has been about</p> <p>12 eight years.</p> <p>13 Q. Who is your employer?</p> <p>14 A. Ancestry.com.</p> <p>15 Q. There are a number of Ancestry entities</p> <p>16 called Ancestry.com. Do you know which specific entity</p> <p>17 you are employed by?</p> <p>18 A. It's Ancestry.Com Operations Inc.</p> <p>19 Q. And if I'm going to refer to Ancestry</p> <p>20 today, do you need me to be more specific than Ancestry</p> <p>21 or Ancestry.com, given that there are a number of</p> <p>22 defendants in this case: Ancestry.Com Operations Inc.,</p> <p>23 Ancestry.Com Inc. and Ancestry.Com LLC?</p> <p>24 A. I'd defer to counsel on what makes the</p> <p>25 most sense.</p>
<p style="text-align: right;">Page 15</p> <p>1 you received from me or Ms. McCarthy, you're free to</p> <p>2 answer.</p> <p>3 A. Related to the case, there is a lunch that</p> <p>4 we didn't discuss with counsel.</p> <p>5 Q. Okay. Were you speaking with him in order</p> <p>6 to prepare -- to be prepared to testify about any of</p> <p>7 the 30(b)(6) topics today?</p> <p>8 A. To better understand the background in and</p> <p>9 issues involved in the case.</p> <p>10 Q. And were those issues limited to yearbook</p> <p>11 acquisition, or did you discuss any other topics?</p> <p>12 A. We have a working relationship, so we</p> <p>13 speak every day, but relative to the case, it would be</p> <p>14 the yearbooks.</p> <p>15 Q. Okay. Did you speak with anyone else at</p> <p>16 Ancestry other than Mr. Atkinson to prepare for your</p> <p>17 deposition?</p> <p>18 A. No.</p> <p>19 Q. Beyond the information that you said you</p> <p>20 reviewed, all of which you think has been produced to</p> <p>21 the plaintiffs in this case, did you review any other</p> <p>22 documents to prepare for today's deposition?</p> <p>23 A. Yes.</p> <p>24 Q. What else did you review?</p> <p>25 A. Just some agreements from earlier that are</p>	<p style="text-align: right;">Page 17</p> <p>1 Q. I just want to make sure you and I are</p> <p>2 speaking the same language. If I say Ancestry, I think</p> <p>3 you know what I mean, right?</p> <p>4 A. I do. I do. If you're talking generally</p> <p>5 about the company and the content job function that I'm</p> <p>6 responsible for, I understand that.</p> <p>7 Q. And as the Vice President of Global</p> <p>8 Content, what are your job responsibilities?</p> <p>9 A. Generally bringing records to the Ancestry</p> <p>10 website and our users, so I'm responsible for</p> <p>11 acquisition of records, so working with archives to</p> <p>12 license them, the digitization work that we do to scan</p> <p>13 and transcribe the records and publishing them to the</p> <p>14 website.</p> <p>15 Q. In your role as VP of Global Content, do</p> <p>16 you have any direct reports?</p> <p>17 A. I do.</p> <p>18 Q. Who reports to you and what are their</p> <p>19 roles?</p> <p>20 A. Key reports includes Quinton Atkinson, who</p> <p>21 leads our content acquisition function. I have two</p> <p>22 individuals that lead digitization for us: Jeffrey</p> <p>23 Heeps and Trevor Lucas, and they're responsible for</p> <p>24 scanning and transcription and the publishing of the</p> <p>25 contents of them.</p>

5 (Pages 14 - 17)

CONFIDENTIAL

<p style="text-align: right;">Page 18</p> <p>1 Q. Who do you report to?</p> <p>2 A. I report to Howard Hochhauser.</p> <p>3 Q. What is Mr. Hochhauser's role?</p> <p>4 A. He's the CO of the company.</p> <p>5 Q. And could you spell his name for the</p> <p>6 record?</p> <p>7 A. I can try. Howard, Hochhauser, I think</p> <p>8 it's H-O-C-H-H-A-U-S-E-R.</p> <p>9 Q. All right. We won't tell anyone if you</p> <p>10 don't know how to spell your boss' name.</p> <p>11 A. I just know --</p> <p>12 Q. Prior to your role as VP of Global</p> <p>13 Content, were you employed by Ancestry?</p> <p>14 A. I was.</p> <p>15 Q. What was your prior role?</p> <p>16 A. Other roles within content so was</p> <p>17 responsible for acquisition for a time and prior to</p> <p>18 getting involved in content, I worked on the products</p> <p>19 side.</p> <p>20 Q. And when you say worked on the products</p> <p>21 side, what does that mean?</p> <p>22 A. I was building, trying out some new</p> <p>23 products for Ancestry when I originally joined the</p> <p>24 company.</p> <p>25 Q. When did you first join Ancestry?</p>	<p style="text-align: right;">Page 20</p> <p>1 sure we're speaking the same language. So if I refer</p> <p>2 to paying subscribers, I intend that to mean people who</p> <p>3 have purchased a subscription plan with Ancestry.com;</p> <p>4 is that a fair term?</p> <p>5 A. Yes.</p> <p>6 Q. Is there something else that Ancestry</p> <p>7 calls those people?</p> <p>8 A. Just to distinct -- no, that's actually</p> <p>9 the term.</p> <p>10 Q. Subscribers?</p> <p>11 A. Yeah.</p> <p>12 Q. Look at me, like I have an inside view.</p> <p>13 All right. If I am referring -- if I say free trial</p> <p>14 subscribers or free trial users, I mean people who have</p> <p>15 signed up for a free trial on Ancestry; is that fair</p> <p>16 terminology?</p> <p>17 A. Yes.</p> <p>18 Q. Is there any other term that Ancestry</p> <p>19 would use to refer to those, those people?</p> <p>20 A. That is the main term used for that group.</p> <p>21 Q. And then, if I say users of Ancestry, I</p> <p>22 intend to mean people who have visited Ancestry.com but</p> <p>23 have not signed up to a free trial or a paid</p> <p>24 subscription; is that fair?</p> <p>25 A. I think for clarity, users is a broad term</p>
<p style="text-align: right;">Page 19</p> <p>1 A. 2008.</p> <p>2 Q. Do you know when the Ancestry.com website</p> <p>3 first existed on the internet?</p> <p>4 A. I should, but, I'm sorry, I don't have</p> <p>5 that date.</p> <p>6 Q. Before 2008, though?</p> <p>7 A. Long before, yes.</p> <p>8 Q. Okay. Do you know when yearbooks were</p> <p>9 first available on the Ancestry.com website?</p> <p>10 A. I don't have the date when we first</p> <p>11 published a yearbook.</p> <p>12 Q. Do you have an approximate timeframe?</p> <p>13 A. I think in small early collections, it</p> <p>14 could have been around 2007-2008 timeframe.</p> <p>15 Q. Prior to joining Ancestry in 2008, where</p> <p>16 were you employed?</p> <p>17 A. I owned my own business for a few years.</p> <p>18 Q. What type of business did you own?</p> <p>19 A. It was a healthcare business.</p> <p>20 Q. Prior to joining Ancestry, had you ever</p> <p>21 worked for a company that provided any services similar</p> <p>22 to Ancestry.com?</p> <p>23 A. No. No.</p> <p>24 Q. Okay. As we talk today, I just want to go</p> <p>25 through a little bit of terminology, again, to make</p>	<p style="text-align: right;">Page 21</p> <p>1 that captures everyone. We refer to people who have --</p> <p>2 to people who have come to the website but are not yet</p> <p>3 -- are not currently subscribed but have registered as</p> <p>4 registered users.</p> <p>5 Q. And when you say registered, what does</p> <p>6 that mean as opposed to free trial users?</p> <p>7 A. That they have registered with -- they</p> <p>8 have registered an account with Ancestry.</p> <p>9 Q. And what services are provided to a</p> <p>10 registered account?</p> <p>11 A. An example is starting your own family</p> <p>12 tree.</p> <p>13 Q. So is it fair to say that there's a</p> <p>14 limited subset of information that's available to</p> <p>15 registered users even if they have not signed up for a</p> <p>16 free trial or a paid subscription?</p> <p>17 A. I think there's a limited set of services</p> <p>18 that they can explore as a registered user and family</p> <p>19 tree is the primary example.</p> <p>20 Q. Can registered users search Ancestry's</p> <p>21 yearbook content?</p> <p>22 A. They can perform a search on the</p> <p>23 collection.</p> <p>24 Q. Can they view any search results?</p> <p>25 A. They can view limited information but not</p>

6 (Pages 18 - 21)

CONFIDENTIAL

<p style="text-align: right;">Page 22</p> <p>1 the full record.</p> <p>2 Q. To become a registered user, does a person</p> <p>3 who provides -- does that person who registers have to</p> <p>4 agree to the Ancestry.com terms of service?</p> <p>5 A. Yes, they do.</p> <p>6 Q. So I will refer to that group as</p> <p>7 registered users. For people who visit Ancestry.com</p> <p>8 but do not register in any way, can we call them</p> <p>9 visitors? What's a good word to use for that group?</p> <p>10 A. For this purpose, visitor is fine.</p> <p>11 Q. Okay. Then what services are available to</p> <p>12 free trial subscribers that are not available to</p> <p>13 registered users?</p> <p>14 A. Free trial, can you clarify free trial</p> <p>15 versus registered?</p> <p>16 Q. My understanding is you can sign up for a</p> <p>17 free trial of the Ancestry services. Is that different</p> <p>18 than a registered user?</p> <p>19 A. No, understood. I just wanted to clarify</p> <p>20 the groups you were talking about.</p> <p>21 Q. Yeah.</p> <p>22 A. So free trials, free trial users can</p> <p>23 access the full services within the geographic scope of</p> <p>24 the package that they are trialing for, so, for</p> <p>25 example, in the, let's say, U.S. package, records in</p>	<p style="text-align: right;">Page 24</p> <p>1 Forces4Records.codeIUK.</p> <p>2 Q. Do any of those websites other than</p> <p>3 Ancestry.com provide access to yearbook records?</p> <p>4 A. No.</p> <p>5 Q. So we can limit our discussion today to</p> <p>6 Ancestry.com, I think, unless you say otherwise, okay?</p> <p>7 A. Okay.</p> <p>8 Q. Is there a specific team of employees at</p> <p>9 the Ancestry company that's responsible for the</p> <p>10 Ancestry.com website?</p> <p>11 A. There are many teams.</p> <p>12 Q. So I'm just trying to understand, at</p> <p>13 Ancestry do -- do people that work at the parent</p> <p>14 company manage all of the websites that you just</p> <p>15 listed, or is there a group that's focused specifically</p> <p>16 on Ancestry.com?</p> <p>17 A. The majority of employees are focused on</p> <p>18 Ancestry.com and there are teams and employees that</p> <p>19 look after and manage the other websites and brands as</p> <p>20 well.</p> <p>21 Q. Is there any team or subset of Ancestry</p> <p>22 employees that have responsibility for Ancestry.com's</p> <p>23 yearbook database?</p> <p>24 A. No. That's not how we're organized.</p> <p>25 Q. Okay. Can you explain how Ancestry is</p>
<p style="text-align: right;">Page 23</p> <p>1 the U.S., full tree building, collaboration, tools to</p> <p>2 enhance and modify personal photographs and general</p> <p>3 collaboration with their cousins on the website.</p> <p>4 Q. How long does a free trial last time-wise?</p> <p>5 A. Typically 14 days. That's been our</p> <p>6 standard.</p> <p>7 Q. And then paying subscribers have access to</p> <p>8 whatever services are included in the package that they</p> <p>9 have purchased; is that right?</p> <p>10 A. That's right.</p> <p>11 Q. Okay. So let's dive into Topic Number 1,</p> <p>12 which is the cooperate structure of Ancestry,</p> <p>13 including, but not limited to, your organizational</p> <p>14 structure and the identities of your executives and</p> <p>15 managers. Does -- let me ask it this way: What</p> <p>16 websites does Ancestry own and operate?</p> <p>17 A. To clarify, which company? Or do you mean</p> <p>18 the parent?</p> <p>19 Q. The parent.</p> <p>20 A. There's several. There's Ancestry.com,</p> <p>21 there's a Fold3.com</p> <p>22 Q. I'm sorry, can you repeat that?</p> <p>23 A. A Fold3, fold, the number 3.com. There's</p> <p>24 Newspapers with an S.com. There is Archives.com,</p> <p>25 Geneanet fr, a French website and</p>	<p style="text-align: right;">Page 25</p> <p>1 organized at a really high level?</p> <p>2 A. Yes. There's a team that's responsible</p> <p>3 for gathering records, which is, of course, my team,</p> <p>4 the team that I lead, of all types. There's a product</p> <p>5 and technology organization that's responsible for the</p> <p>6 main functionality of the service. There's -- and then</p> <p>7 there's a marketing organization that's responsible for</p> <p>8 helping people attract people to that service and</p> <p>9 helping them understand what can be discovered, they</p> <p>10 do. Those are the primary organizations that will be</p> <p>11 involved.</p> <p>12 Q. Is there a finance --</p> <p>13 A. Yes.</p> <p>14 Q. -- team. And that covers all of the</p> <p>15 websites that Ancestry owns?</p> <p>16 A. That's right.</p> <p>17 Q. And I assume there's also HR?</p> <p>18 A. HR, yes.</p> <p>19 Q. And, again, that would cover everything?</p> <p>20 A. That's right.</p> <p>21 Q. Okay. And is there a Legal or Compliance</p> <p>22 Department?</p> <p>23 A. Yes, there is.</p> <p>24 Q. Does that have responsibility for all of</p> <p>25 the websites that you've identified?</p>

7 (Pages 22 - 25)

CONFIDENTIAL

<p style="text-align: right;">Page 26</p> <p>1 A. Yes.</p> <p>2 Q. Okay. Of those kind of overarching</p> <p>3 organizations, which is responsible for the yearbook</p> <p>4 search functionality on Ancestry.com?</p> <p>5 A. The overall search functionality for any</p> <p>6 record is managed by the product and technology team.</p> <p>7 Q. Who at Ancestry is at the top of that</p> <p>8 product and technology organization?</p> <p>9 A. There are two senior leaders: Heather</p> <p>10 Freeland, responsible for the product organization and</p> <p>11 Sriram Thiagarajan is responsible for the technology</p> <p>12 organization.</p> <p>13 Q. Any chance you could spell that second one</p> <p>14 for sure? The court reporter will ask you later if I</p> <p>15 don't now.</p> <p>16 A. Sriram is S-R-I-R-A-M and I would have to</p> <p>17 look up the spelling of his last name.</p> <p>18 Q. Okay.</p> <p>19 A. But a dear friend at the same time.</p> <p>20 Q. So that product and technology team is</p> <p>21 responsible for how the search functionality of the</p> <p>22 Ancestry.com website works, including the yearbook</p> <p>23 search function, correct?</p> <p>24 A. Yes.</p> <p>25 Q. And then the marketing group, do they have</p>	<p style="text-align: right;">Page 28</p> <p>1 A. Yearbooks are one of the many record</p> <p>2 categories that Quinton Atkinson's content acquisition</p> <p>3 team is responsible for working to acquire.</p> <p>4 Q. And ever since you've been the VP of</p> <p>5 global content over the last eight years, has that</p> <p>6 yearbook acquisition function fallen under your</p> <p>7 organizational structure?</p> <p>8 A. Yes.</p> <p>9 Q. Then the Finance Department, who leads</p> <p>10 that, that organization?</p> <p>11 A. Howard Hochhauser is also our CFO and, so,</p> <p>12 he leads that organization.</p> <p>13 Q. And to your knowledge, does the Finance</p> <p>14 Department track Ancestry's revenue related to</p> <p>15 subscriptions?</p> <p>16 A. Yes.</p> <p>17 Q. Does Ancestry license any of its yearbook</p> <p>18 content to third parties?</p> <p>19 A. No.</p> <p>20 Q. I'm gonna move on to topics 2 and 3.</p> <p>21 Topic 2 is an overview of Ancestry's financial model,</p> <p>22 including, but not limited to, operating activities and</p> <p>23 cash inflows and outflows. Topic 3 is Ancestry's</p> <p>24 revenue derived from the sale of website subscription</p> <p>25 to Ancestry.com. Does Ancestry track its revenue for</p>
<p style="text-align: right;">Page 27</p> <p>1 involvement in how Ancestry promotes subscriptions to</p> <p>2 its website?</p> <p>3 A. Yes.</p> <p>4 Q. Who leads that marketing organization?</p> <p>5 A. Our chief marketing officer is Todd</p> <p>6 Pollak. Pollak is P-O-L-L-A-K.</p> <p>7 Q. Do you know if there's anyone within the</p> <p>8 marketing organization that has any specific</p> <p>9 responsibility with respect to how the yearbook records</p> <p>10 can be used to promote Ancestry subscriptions?</p> <p>11 A. Nobody specific to yearbooks, but each of</p> <p>12 the teams within marketing, through their various</p> <p>13 channels, are responsible for marketing all the types</p> <p>14 of discoveries that you can make, which include</p> <p>15 yearbooks.</p> <p>16 Q. I should go back and ask that for product</p> <p>17 and technology, too. Is there anyone on that team that</p> <p>18 has specific responsibility with respect to the search</p> <p>19 functionality in the yearbook database?</p> <p>20 A. Very similar answer, no, they're focused</p> <p>21 on any kind of all of the records not specific to</p> <p>22 yearbooks. No one specific to yearbooks.</p> <p>23 Q. And within your team and organization is</p> <p>24 there someone responsible for obtaining yearbooks to</p> <p>25 add to the Ancestry database?</p>	<p style="text-align: right;">Page 29</p> <p>1 Ancestry.com separately from revenue for its other</p> <p>2 websites that you identified?</p> <p>3 A. Yes, we do.</p> <p>4 Q. Does Ancestry have any way to track</p> <p>5 revenue associated with subscriptions purchased after</p> <p>6 searching the yearbook database differently from any</p> <p>7 other areas of the website?</p> <p>8 A. Can you restate the question?</p> <p>9 Q. That wasn't a great question. Let me try</p> <p>10 again. Does Ancestry track revenue associated with</p> <p>11 subscriptions purchased after a person conducts a</p> <p>12 yearbook search separately from revenue associated with</p> <p>13 subscriptions purchased when someone has not looked at</p> <p>14 the yearbook portion of the website?</p> <p>15 A. No, we don't track that.</p> <p>16 Q. Okay. Does Ancestry track expenses for</p> <p>17 Ancestry.com separately from its other websites?</p> <p>18 A. Yes, we do.</p> <p>19 Q. What sources of revenue are associated</p> <p>20 with Ancestry.com?</p> <p>21 A. The primary sources would include the</p> <p>22 subscriptions to the genealogy side of the service and</p> <p>23 the other main category are the sale of DNA kits and,</p> <p>24 which, obviously, enhance the genealogy experience as</p> <p>25 well.</p>

8 (Pages 26 - 29)

CONFIDENTIAL

<p style="text-align: right;">Page 30</p> <p>1 Q. When you say subscriptions to the</p> <p>2 genealogy side, does that include access to yearbook</p> <p>3 records?</p> <p>4 A. Yes, subscriptions provide access to all</p> <p>5 the records within the scope of the subscription,</p> <p>6 working, interacting with other users, family trees in</p> <p>7 collaboration services.</p> <p>8 Q. Then DNA kits is kind of a separate type</p> <p>9 of business?</p> <p>10 A. It's a complimentary business, but, yes,</p> <p>11 it's a separate, it's a separate purchase from the</p> <p>12 subscription.</p> <p>13 Q. Are there any other sources of revenue</p> <p>14 associated with Ancestry.com other than those two</p> <p>15 items?</p> <p>16 A. Directly with the website with that</p> <p>17 website, no, it would be the other brands that we</p> <p>18 discussed.</p> <p>19 Q. Does Ancestry make any revenue from</p> <p>20 advertisements on its website?</p> <p>21 A. No, not on the Ancestry.com website.</p> <p>22 Q. So does Ancestry track the revenue from</p> <p>23 subscriptions to the genealogy side of the website?</p> <p>24 A. We do.</p> <p>25 Q. Does Ancestry do any analysis of that</p>	<p style="text-align: right;">Page 32</p> <p>1 [REDACTED]</p> <p>2 [REDACTED]</p> <p>3 [REDACTED]</p> <p>4 [REDACTED]</p> <p>5 [REDACTED]</p> <p>6 [REDACTED]</p> <p>7 [REDACTED]</p> <p>8 [REDACTED]</p> <p>9 [REDACTED]</p> <p>10 [REDACTED]</p> <p>11 [REDACTED]</p> <p>12 [REDACTED]</p> <p>13 [REDACTED]</p> <p>14 [REDACTED]</p> <p>15 [REDACTED]</p> <p>16 [REDACTED]</p> <p>17 [REDACTED]</p> <p>18 [REDACTED]</p> <p>19 [REDACTED]</p> <p>20 [REDACTED]</p> <p>21 [REDACTED]</p> <p>22 [REDACTED]</p> <p>23 [REDACTED]</p> <p>24 [REDACTED]</p> <p>25 [REDACTED]</p>
<p style="text-align: right;">Page 31</p> <p>1 revenue to look at what portions of its genealogy</p> <p>2 search side drive that subscription revenue?</p> <p>3 A. Could you restate the question?</p> <p>4 [REDACTED]</p> <p>5 [REDACTED]</p> <p>6 [REDACTED]</p> <p>7 [REDACTED]</p> <p>8 [REDACTED]</p> <p>9 [REDACTED]</p> <p>10 [REDACTED]</p> <p>11 [REDACTED]</p> <p>12 [REDACTED]</p> <p>13 [REDACTED]</p> <p>14 [REDACTED]</p> <p>15 [REDACTED]</p> <p>16 [REDACTED]</p> <p>17 [REDACTED]</p> <p>18 [REDACTED]</p> <p>19 [REDACTED]</p> <p>20 [REDACTED]</p> <p>21 [REDACTED]</p> <p>22 [REDACTED]</p> <p>23 [REDACTED]</p> <p>24 [REDACTED]</p> <p>25 [REDACTED]</p>	<p style="text-align: right;">Page 33</p> <p>1 [REDACTED]</p> <p>2 [REDACTED]</p> <p>3 [REDACTED]</p> <p>4 [REDACTED]</p> <p>5 [REDACTED]</p> <p>6 [REDACTED]</p> <p>7 [REDACTED]</p> <p>8 [REDACTED]</p> <p>9 [REDACTED]</p> <p>10 [REDACTED]</p> <p>11 [REDACTED]</p> <p>12 [REDACTED]</p> <p>13 [REDACTED]</p> <p>14 [REDACTED]</p> <p>15 [REDACTED]</p> <p>16 [REDACTED]</p> <p>17 [REDACTED]</p> <p>18 [REDACTED]</p> <p>19 [REDACTED]</p> <p>20 [REDACTED]</p> <p>21 [REDACTED]</p> <p>22 [REDACTED]</p> <p>23 [REDACTED]</p> <p>24 [REDACTED]</p> <p>25 [REDACTED]</p>

CONFIDENTIAL

Page 34

1 [REDACTED]

[REDACTED]

4 Q. Okay. But I think you would agree that
5 Ancestry earns revenue in part from selling
6 subscriptions to Ancestry.com that provide access to a
7 yearbook search functionality, correct?

8 A. That yearbook search functionality and
9 discovery is the part of the service that drives
10 revenue, yes.

11 Q. And the yearbook search functionality
12 includes yearbooks from Nevada, correct?

13 A. Yes.

14 Q. So you would agree that some set of the
15 yearbook photographs available on Ancestry.com portray
16 people who are residents of Nevada?

17 A. We -- it portrays photos of people who are
18 living in Nevada at the time of the record, at the time
19 of the yearbook, but we don't know whether they're
20 still there.

21 Q. Fair, but you would agree that
22 statistically speaking there are certainly people
23 portrayed in the yearbook database who currently live
24 in Nevada, right?

25 A. Yes.

Page 36

1 [REDACTED]
[REDACTED] [REDACTED]
[REDACTED]
[REDACTED] [REDACTED]
[REDACTED]

6 Q. All right. I'm going to move on to topic
7 4 and topic 8, which are related. Topic 4 is the
8 structure and operation of Ancestry's marketing and
9 advertising of its subscription products that
10 incorporate yearbook names and/or yearbook photographs.

11 And topic 8 is the purpose for which Ancestry uses
12 marketing emails and on-site messages that incorporate
13 yearbook names and/or yearbook photographs, including
14 their value in attracting paying subscribers to
15 Ancestry.com.

16 MR. BAUMANN: -- topics. We've been going
17 like an hour. Would this be a good time to take like a
18 five-minute break?

19 MS. BORRELLI: Yeah, that's fine. I'll
20 warm up my coffee. Let's go off the record.

21 VIDEOGRAPHER: The time now is 10 a.m. We
22 are off the record.

23 (Break)

24 VIDEOGRAPHER: The time now is 10:20 a.m.
25 We are back on the record.

Page 35

Page 37

1 Q. Okay, Mr. Godfrey, we are now going to
2 start talking about topics 4 and 8, which I identified
3 on the record before our break. All right. Is there a
4 public landing page for Ancestry.com?

5 A. There is.

6 Q. Would you agree that anyone using the
7 internet can access that public landing page?

8 A. Yes.

9 Q. From that public landing page, how can a
10 visitor to Ancestry.com access the yearbook records
11 search?

12 A. They can click on the search button, which
13 would then take them to all the records, all the
14 collections that can be searched and with some
15 filtering down, they can find the specific yearbook
16 record collection.

17 Q. So the Ancestry.com website has kind of a
18 main search page that allows the user to search all the
19 records available on the website?

20 A. Yes.

21 Q. Is there a specific search page for only
22 searching yearbooks that's accessible?

23 A. There is.

24 Q. And how -- sorry. How would a visitor to
25 the Ancestry.com website navigate to that yearbook

CONFIDENTIAL

<p style="text-align: right;">Page 38</p> <p>1 specific search?</p> <p>2 A. They would have to know about that page</p> <p>3 specifically or have a link to that page specifically</p> <p>4 to get to that specific page, but they could also</p> <p>5 filter in what we say global search, searching all the</p> <p>6 records, they can filter down by category and find,</p> <p>7 locate the individual yearbook database to search.</p> <p>8 Q. And why does Ancestry offer a public</p> <p>9 landing page for its website?</p> <p>10 A. To help visitors understand what type of</p> <p>11 services Ancestry has to offer.</p> <p>12 Q. And why does Ancestry offer a public</p> <p>13 search page where any visitor to the website can search</p> <p>14 Ancestry's records?</p> <p>15 A. One of the reasons is because it helps</p> <p>16 them understand what types of, we say discoveries, but</p> <p>17 records, stories they can potentially find on the</p> <p>18 service if they subscribe to the services.</p> <p>19 Q. So is it fair to say it's intended to give</p> <p>20 visitors a preview of what's available on Ancestry.com</p> <p>21 for paying subscribers?</p> <p>22 A. Yes.</p> <p>23 Q. Do you know what percentage of</p> <p>24 subscription purchases are made after a visitor</p> <p>25 performs a search for someone on the publicly available</p>	<p style="text-align: right;">Page 40</p> <p>1 packages, package options for Ancestry.com.</p> <p>2 Q. Backing up for a moment to how searches of</p> <p>3 the yearbook database can be conducted -- or the</p> <p>4 yearbook collection, the process, the two processes you</p> <p>5 described, either searching via public main search page</p> <p>6 or if you have a link to the yearbook database, has</p> <p>7 that been true for the entire time that you've been at</p> <p>8 Ancestry or has there ever been any different way to</p> <p>9 search the yearbook collection?</p> <p>10 A. I'm not aware of any other way to search</p> <p>11 the yearbook collection and, ultimately, they're</p> <p>12 searching it the same way. It's the -- there's only</p> <p>13 one search function, but you can search all records</p> <p>14 globally or you can focus on a particular collection,</p> <p>15 which both of those options we have a path to.</p> <p>16 Q. And the categories of subscription</p> <p>17 products you just identified, have those changed over</p> <p>18 time? Have there ever been different categories of</p> <p>19 subscriptions?</p> <p>20 A. Over the last decade or more, they've</p> <p>21 always been geographically based like that.</p> <p>22 Q. And those subscriptions, are they monthly</p> <p>23 or annually or on some other schedule?</p> <p>24 A. Yes.</p> <p>25 Q. All of the above?</p>
<p style="text-align: right;">Page 39</p> <p>1 landing page?</p> <p>2 A. I don't have that information.</p> <p>3 Q. Is that information that's knowable from</p> <p>4 data that Ancestry keeps?</p> <p>5 A. Possibly, but I'm not aware for sure.</p> <p>6 Q. If you want to know if that information</p> <p>7 existed, who would you ask or where would you look?</p> <p>8 A. I would work with one of our technology</p> <p>9 team members to understand what they're tracking</p> <p>10 relative to each page.</p> <p>11 Q. Can a search of Ancestry's yearbook</p> <p>12 records be accessed any other way other than what we've</p> <p>13 talked about via the main search page or, you know, the</p> <p>14 specific link to the yearbook search page?</p> <p>15 A. Those are the two primary ways to search</p> <p>16 the collection, yes.</p> <p>17 Q. What are categories of subscription</p> <p>18 products that Ancestry offers?</p> <p>19 A. We -- they are typically geographically</p> <p>20 placed so we have a product that offer the family</p> <p>21 history services, the collaboration services, tree</p> <p>22 building services and the records related to -- records</p> <p>23 that are in the United States, as a package, and then</p> <p>24 we have a world package, basically all records that we</p> <p>25 have for any part of the world. Those are the two main</p>	<p style="text-align: right;">Page 41</p> <p>1 A. There are options for a monthly</p> <p>2 subscription, for annual and semiannual subscriptions</p> <p>3 as well.</p> <p>4 Q. And would you agree that the two</p> <p>5 categories of subscription of products you identified</p> <p>6 offer access to the yearbook collection?</p> <p>7 A. Yes, both the U.S. subscription and the</p> <p>8 world subscription include that collection.</p> <p>9 Q. Is there also something called an all</p> <p>10 access subscription?</p> <p>11 A. Uh-huh (affirmative).</p> <p>12 Q. How is that different than the other two?</p> <p>13 A. The all access subscription is the --</p> <p>14 takes the world subscription and adds access to other</p> <p>15 brands, the Newspapers.com website for the newspapers</p> <p>16 or Fold3.com, which is the military focus website.</p> <p>17 Q. Okay. Does Ancestry promote or advertise</p> <p>18 its subscription products on Ancestry.com?</p> <p>19 A. We . . . Could you restate the question?</p> <p>20 Q. Yeah, does Ancestry advertise or promote</p> <p>21 its subscription products on its website Ancestry.com?</p> <p>22 A. On the website itself, there is marketing</p> <p>23 on the website to help you understand what's available</p> <p>24 and the types of discoveries that you can make, yes, as</p> <p>25 well as an explanation clearly on the homepage, for</p>

CONFIDENTIAL

<p style="text-align: right;">Page 42</p> <p>1 example, again, helping orient users to what we have to 2 offer.</p> <p>3 Q. And where on the website is that marketing 4 done?</p> <p>5 A. The main web page is -- the homepage is 6 for users who are not signed in is the predominant 7 place where that's done.</p> <p>8 Q. How is it done for registered users on the 9 website?</p> <p>10 A. There are occasions where we might use a 11 banner, for example, above the page to help them know 12 of a new collection that's available to them or make 13 them aware of a new product or service that we're 14 offering, but for the most part for ones logged in our 15 focus is on the tools you need to do the research and 16 that's where the screen space goes to and is dedicated.</p> <p>17 Q. What about for free trial users who are 18 logged in; is there a different way that the 19 subscription products are promoted to them on the 20 website?</p> <p>21 A. A free trial user's experience is very 22 similar to a subscribed user's experience. Not aware 23 of any material difference in their kind of experience 24 on the site with respect to that.</p> <p>25 Q. Okay. Do you know if Ancestry uses</p>	<p style="text-align: right;">Page 44</p> <p>1 A. Sorry, go ahead.</p> <p>2 Q. To use those new features or tools that 3 may be promoted via a banner ad, would a registered 4 user need to have a subscription?</p> <p>5 A. Sometimes. Sometimes. They could also be 6 promoting, for example, new features of building your 7 own family tree, which any user can do for free, but 8 highlighting some new feature or a way of which we've 9 made that more efficient for the user. They're more 10 akin to product tutorials or awareness of new features.</p> <p>11 Q. But you would agree that most of the 12 features on Ancestry.com require a subscription to 13 access in any meaningful way?</p> <p>14 A. Most, most of the features are part of the 15 subscription package.</p> <p>16 Q. On the Ancestry website does Ancestry 17 redirect users -- I use the word visitors. Does 18 Ancestry redirect visitors to a page about 19 subscriptions at any point?</p> <p>20 A. Can you clarify what you mean by redirect?</p> <p>21 Q. Sure. So if someone searches -- let's say 22 a visitor who doesn't, hasn't purchased anything, 23 hasn't registered isn't a pretrial user, conducts a 24 search for a name and filters for yearbook records, if 25 they try to click on that yearbook record, is there any</p>
<p style="text-align: right;">Page 43</p> <p>1 pop-up's on its website for any user to promote 2 subscription products?</p> <p>3 A. I'm not aware recently of much use of 4 pop-up's, but, yeah, not aware of that.</p> <p>5 Q. Were they used in the past?</p> <p>6 A. I'm sure at some point years ago, but 7 they're not a prominent part of the service now -- or 8 the website now.</p> <p>9 Q. Does Ancestry maintain records showing how 10 its website operated in the past?</p> <p>11 A. Likely. I don't, I don't have a lot of 12 information about that, though.</p> <p>13 Q. You indicated that for registered users 14 the website might show a banner promoting the 15 subscription products. Do you know where that banner 16 would appear for a registered user?</p> <p>17 A. I would clarify banners are most often 18 used to help users understand new discoveries that are 19 possible or new product features that have been added 20 to the service, but we don't do a lot of traditional 21 banner advertising, if you will, as other companies do 22 on the Ancestry service. It's fairly clean and focused 23 on what you can discover and the tools that you're 24 using to try to explore your own family history.</p> <p>25 Q. To use --</p>	<p style="text-align: right;">Page 45</p> <p>1 redirection to another page with information about 2 subscriptions?</p> <p>3 A. Well, the purpose of the search page is to 4 help them understand what records we potentially have 5 that may match their search. However, those, accessing 6 those records is part of the subscription and, so, at 7 that point, we're helping them understand what their 8 subscription options are to view the record.</p> <p>9 Q. Okay. So what is the purpose of showing 10 those search results to visitors if they can't access 11 them?</p> <p>12 A. To help them get a sense for the potential 13 for records that they're interested in and whether or 14 not they may be on the site.</p> <p>15 Q. Okay. But then to access those records, 16 they would need to purchase a subscription?</p> <p>17 A. Yes, in most cases, yes.</p> <p>18 Q. Okay. I think you testified that any 19 visitor to Ancestry.com can conduct a search within the 20 yearbook collection, regardless of whether they've 21 registered or haven't signed up for a free trial or are 22 a subscriber, correct?</p> <p>23 A. Correct.</p> <p>24 Q. Would you agree that nonregistered 25 visitors to the website can conduct a search without</p>

CONFIDENTIAL

<p style="text-align: right;">Page 46</p> <p>1 agreeing to Ancestry's terms of service?</p> <p>2 A. I think --</p> <p>3 MR. BAUMANN: Sorry, I'll just object to</p> <p>4 the extent it calls for a legal conclusion, but</p> <p>5 otherwise you're free to answer.</p> <p>6 A. I was just thinking through the</p> <p>7 nonregistered experience. A nonregistered user can</p> <p>8 perform a search and see some element of search result</p> <p>9 but can't move further without -- to view records</p> <p>10 without a subscription and agreeing to terms of</p> <p>11 service.</p> <p>12 Q. But they could conduct the initial search</p> <p>13 and see the search results, correct?</p> <p>14 A. They could conduct an initial search and</p> <p>15 get a sense for the types of records that are there.</p> <p>16 Q. Okay. Does the appearance of the search</p> <p>17 results page when a search is conducted look different</p> <p>18 for a nonregistered visitor than it would for a</p> <p>19 registered user or a free trial user or subscriber?</p> <p>20 A. The difference in the search result list</p> <p>21 are the fields of information that are available versus</p> <p>22 muted and they are available similarly for free</p> <p>23 trialists and subscribers but not available for</p> <p>24 visitors or nonregistered's.</p> <p>25 Q. So if a visitor conducted a search within</p>	<p style="text-align: right;">Page 48</p> <p>1 either subscribed or have free trialed into, but a free</p> <p>2 trial user has the same access as a subscriber would or</p> <p>3 same experience as a subscriber would for that package.</p> <p>4 Q. So for a visitor or a registered user,</p> <p>5 what happens if they try to click on that thumbnail</p> <p>6 image returned in a yearbook search and look at a</p> <p>7 larger version of that photo?</p> <p>8 A. We share with them the options to</p> <p>9 subscribe to the service to be able to access that and</p> <p>10 other records and parts of the service.</p> <p>11 Q. So is it a pop-up or a redirect to another</p> <p>12 page with that information?</p> <p>13 A. If they click on the -- if they click on</p> <p>14 that thumbnail or the record itself, the next page we</p> <p>15 show them is that page that describes the subscription</p> <p>16 options.</p> <p>17 Q. Is there a hover over-type option that</p> <p>18 shows some information to the visitor?</p> <p>19 A. Yes, if you're looking at the search</p> <p>20 results and you hover over one of the possible results</p> <p>21 there, there are places on that row where you can hover</p> <p>22 over and that's where the thumbnail appears and some</p> <p>23 description of the other fields of information that may</p> <p>24 be included in that record so, again, so the user</p> <p>25 understands what's -- what possible information they</p>
<p style="text-align: right;">Page 47</p> <p>1 the yearbook collection for a specific name, would the</p> <p>2 search results include a preview of a yearbook</p> <p>3 photograph?</p> <p>4 A. We don't include a preview of the yearbook</p> <p>5 photograph, but we do include a thumbnail size, small</p> <p>6 image size of the page.</p> <p>7 Q. So it's very small?</p> <p>8 A. Yes. Again, our intention is to help the</p> <p>9 user to understand there is indeed something there, but</p> <p>10 they would need to subscribe in order to, obviously,</p> <p>11 access the full image and see it in any detail.</p> <p>12 Q. Right. Would the same be true if a</p> <p>13 registered user conducted a search of the yearbook</p> <p>14 collection?</p> <p>15 A. Yeah, their experience is the same.</p> <p>16 Q. Okay. So just so I don't have to keep</p> <p>17 asking then, the experience on the website is the same</p> <p>18 for a visitor and a registered user with respect to</p> <p>19 searching; is that correct?</p> <p>20 A. With respect to that search, yes.</p> <p>21 Q. Okay. And then the experience for a free</p> <p>22 trial user and a paid subscriber is the same with</p> <p>23 respect to the search functionality for yearbooks,</p> <p>24 correct?</p> <p>25 A. Yes, yes, for the package that they're</p>	<p style="text-align: right;">Page 49</p> <p>1 could discover.</p> <p>2 Q. Does that hover over contain any</p> <p>3 information about subscription products?</p> <p>4 A. I don't think so. It may just speak to</p> <p>5 the subscription itself.</p> <p>6 Q. What do you mean?</p> <p>7 A. I'm just trying to recall whether it says</p> <p>8 anything else, but I think the focus is the thumbnail</p> <p>9 and the list of the fields, date, place are examples of</p> <p>10 fields to help you understand, to help the user</p> <p>11 understand what else is in that record when they have</p> <p>12 access to it.</p> <p>13 Q. So has that chain of events or the</p> <p>14 availability of access to a larger photo in search</p> <p>15 records for free -- I'm sorry, for visitors and</p> <p>16 registered users changed over time? Has it ever been</p> <p>17 different?</p> <p>18 A. Just can I ask you to kind of clarify that</p> <p>19 again?</p> <p>20 Q. So you described -- we discussed first</p> <p>21 that if the visitor clicked on the thumbnail</p> <p>22 photograph, they would be redirected to a page with</p> <p>23 subscription options, correct?</p> <p>24 A. Yes.</p> <p>25 MR. BAUMANN: Object to the extent it</p>

13 (Pages 46 - 49)

CONFIDENTIAL

Page 50

1 misstates the prior testimony.
2 Q. Has that flow ever been different when
3 clicking on a photo in the yearbook search results?
4 A. I think we've been consistent in the hover
5 possibility or the hover option and what that click
6 leads to.
7 Q. Okay. If a free trial user conducts a
8 search for a yearbook record, I think you may have said
9 this, but remind me, what does the search result page
10 look like for that free trial user?
11 A. It's the same as for a paid subscriber,
12 which is they see all the fields of information that we
13 make available on the search page and they see the
14 thumbnail as well if they hover over the record.
15 Q. And, if a free trial user clicks on that
16 thumbnail, can they view the full photo?
17 A. Yes, they can because they've already
18 selected a subscription package, provided, of course,
19 the yearbooks are available in their package that they
20 selected.
21 Q. So there's no redirect to a page with the
22 paid subscription options; is that right?
23 A. For a free trial -- for a person that's in
24 their free trial, we do not need to send them to
25 subscription option page before showing them the record

Page 51

1 because they've already, they've already made a
2 decision on that page in the past and selected a
3 package.

4 Q. Okay. The free trial users automatically
5 become enrolled in a paid subscription if they don't
6 affirmatively opt out of that after the 14-day period?

7 A. Yes.

8 Q. Does Ancestry send hint emails to any of
9 its users?

10 A. We do send hint emails to users.

11 Q. And which categories of users would
12 receive hint emails?

13 A. Hint emails are -- the purpose of a hint
14 email is to make the user aware of records that match
15 names that they have added to their personal tree. So
16 people that they've indicated to us that they're
17 looking for, they're searching records for and, so, any
18 user who has created a family tree and added family
19 member names to the tree, we have the potential to
20 receive a hint email, which indicates some possible
21 matching records for that ancestor in the tree, and
22 that includes registered users who have a tree and that
23 includes, of course, subscribers and free trials.

24 Q. Do those hint emails ever include yearbook
25 records?

Page 52

1 A. Yes, they do.
2 Q. Under what circumstances would they
3 include yearbook records?
4 A. As we -- for any given ancestor's name in
5 a tree that we look across the site to find the best
6 possible matches to suggest, to the extent a yearbook
7 record is a good match, a good potential match, then it
8 could be included in those emails.
9 Q. So is the only way a record gets put in a
10 hint email if, is if a user has put a name on its
11 family tree that may match some records in Ancestry's
12 collection?
13 A. That's correct.
14 Q. Has that been the case from 2016 to the
15 present?
16 A. Yes, it has.
17 Q. What about prior to 2016?
18 A. Yes, it has.

19 [REDACTED]

CONFIDENTIAL

[illegible]

CONFIDENTIAL

<p style="text-align: right;">Page 58</p> <p>1 trial or subscriber with access.</p> <p>2 Q. Okay. Does this screenshot that we're</p> <p>3 looking at at the top of page 9 appear to be an</p> <p>4 accurate representation of what a free trial user would</p> <p>5 view upon searching the yearbook records of Ancestry?</p> <p>6 A. Yes, it does.</p> <p>7 Q. Okay. I'm gonna scroll to the next one.</p> <p>8 So this is the screenshot on the bottom of page 9 of</p> <p>9 Exhibit 2. Appears to be what you would view if you</p> <p>10 clicked on the records to view it; is that fair?</p> <p>11 A. Yes, that's what it appears to be.</p> <p>12 Q. Okay. And do you see at the top of the</p> <p>13 screenshot where my mouse is hovering over, it says</p> <p>14 upgrade?</p> <p>15 A. I do.</p> <p>16 Q. What is that, the purpose of that button</p> <p>17 on this Ancestry search result screen?</p> <p>18 A. As we described, there are different</p> <p>19 levels of packages: The U.S. package, for example, if</p> <p>20 you were based in the United States as a user; the</p> <p>21 world package; the all access package. That button is</p> <p>22 usually a reminder of other options for other packages</p> <p>23 beyond the current package that you have.</p> <p>24 Q. Okay. What if the free trial user that</p> <p>25 was looking at a search result already had a world</p>	<p style="text-align: right;">Page 60</p> <p>1 be available to a free trial or a subscriber?</p> <p>2 A. It does.</p> <p>3 Q. Now, I'm gonna look at a few more</p> <p>4 screenshots. I'll have you read paragraph 31, which</p> <p>5 describes the screenshots that follow.</p> <p>6 A. Thank you. Okay.</p> <p>7 Q. All right. So there's a screenshot at the</p> <p>8 top, the only screenshot on page 12. What sort of user</p> <p>9 would see the type of screenshot -- the type of search</p> <p>10 results shown in this screenshot on page 12?</p> <p>11 A. Because some of the fields information are</p> <p>12 not available, I would imagine this is a registered</p> <p>13 user or a visitor to the site who does not have a</p> <p>14 subscription yet.</p> <p>15 Q. And do you see this button at the top</p> <p>16 right that says subscribe?</p> <p>17 A. I do.</p> <p>18 Q. If you click on that button, where does</p> <p>19 that take the user?</p> <p>20 A. Pretty, I'm pretty certain that would take</p> <p>21 you to the page that describes the subscription options</p> <p>22 for the genealogy product, the packages that we've just</p> <p>23 been discussing.</p> <p>24 Q. From 2016 to the present has the Ancestry</p> <p>25 website always had the subscribe button on the search</p>
<p style="text-align: right;">Page 59</p> <p>1 package, would that upgrade button still appear?</p> <p>2 A. It would because there's still the all</p> <p>3 access package available as an option, for example.</p> <p>4 Q. If the free trial user had the all access</p> <p>5 package, would that upgrade button still appear?</p> <p>6 A. It's unlikely that button would appear.</p> <p>7 That's an upgrade possibility, but it may, it may be</p> <p>8 used to speak to another service such as the DNA</p> <p>9 service, as an example.</p> <p>10 Q. Okay. But you don't think that clicking</p> <p>11 on this upgrade button would prompt a free trial user</p> <p>12 to purchase or to continue their subscription?</p> <p>13 A. Can you restate that question?</p> <p>14 Q. Yeah. Would clicking on the upgrade</p> <p>15 button ever prompt the free trial user to continue to a</p> <p>16 subscription beyond the free trial period?</p> <p>17 A. I don't think it would, I don't think it</p> <p>18 would affect the package that they are in free trial</p> <p>19 for, no.</p> <p>20 Q. And scrolling down to page 10 on Exhibit</p> <p>21 2, this appears to be another full record that is</p> <p>22 available; is that correct?</p> <p>23 A. It does. That's what it appears, yes.</p> <p>24 Q. Okay. And then on the bottom of page 10,</p> <p>25 does that appear to be another full record that would</p>	<p style="text-align: right;">Page 61</p> <p>1 results page for visitors or nonregistered users -- or</p> <p>2 registered users, I'm sorry?</p> <p>3 A. Yeah, although the general layout of the</p> <p>4 site has probably evolved over that period of time, I,</p> <p>5 I'm fairly confident there's always been a path around</p> <p>6 option to view the subscription options on the page.</p> <p>7 Q. I'm gonna scroll down to page 13. There's</p> <p>8 another screenshot at the top of page 13. Is that what</p> <p>9 would appear if you hovered over the picture or link to</p> <p>10 view more?</p> <p>11 A. Yes, although it looks -- yes, it looks a</p> <p>12 little different in the screenshot from I think the</p> <p>13 current experience, but yes. The layout, yes.</p> <p>14 Q. What does the current experience look</p> <p>15 like?</p> <p>16 A. This seems to cover the entirety of the</p> <p>17 screen. I'm not sure if that's the experience on the</p> <p>18 service itself when you hover.</p> <p>19 Q. Oh, sure, sure. Zoomed in?</p> <p>20 A. Just that's the only thing, but, again,</p> <p>21 providing a thumbnail to give a sense that there is</p> <p>22 something to look at and then describing some of the</p> <p>23 fields of information that may be available if you --</p> <p>24 with a subscription.</p> <p>25 Q. So if the user clicked on this sign up now</p>

CONFIDENTIAL

<p style="text-align: right;">Page 62</p> <p>1 button that's available here on this hover over, where 2 would that take the user? 3 A. It would take them to the same page that 4 describes the options of the subscription, the packages 5 that we've talked about. 6 Q. Okay. And is the purpose of showing this 7 kind of blurred out preview in the hover over is to 8 show the user that should you sign up, this page is 9 available? 10 A. Yes, it's to give the user confidence that 11 should they sign up, that there are actual records 12 available for them to review and see if it's a match to 13 what they're trying to find. 14 Q. And the screenshot at the bottom of page 15 13, does this appear to be another hover over? 16 A. It does appear to be, yes. 17 Q. Same with the screenshot at the top of 18 page 14? 19 A. Yes. 20 Q. All right. That is all I have for that 21 exhibit. I am going to introduce Exhibit Number 3. 22 Give me a moment. 23 (Exhibit 3 marked) 24 Q. I'm sharing my screen again with a 25 document that has been marked Exhibit 3. The Bates</p>	<p style="text-align: right;">Page 64</p> <p>1 Q. All right. That is it for that exhibit. 2 Introducing Exhibit 4. 3 (Exhibit 4 marked) 4 Q. I've marked Exhibit 4 and shared my 5 screen. This is a document with Bates number on the 6 first page Ancestry 6. I'll scroll through this whole 7 document, Mr. Godfrey, so you can generally see what it 8 is. 9 A. Okay. 10 Q. Do you recognize Exhibit 4? 11 A. I do. 12 Q. What is Exhibit 4? 13 A. It appears to be a search form 14 specifically for the yearbooks collection. 15 Q. And, so, if we're looking at the first 16 page, the title says U.S., school yearbooks, 1900-1999. 17 How does an Ancestry.com user access this yearbook 18 specific search page shown in Exhibit 4? 19 A. Sure, the primary way is if they choose 20 search on the homepage, for example, to get to the 21 global search or search all, there are categories 22 within that that can be filtered on available on that 23 page and they can filter down to the specific 24 collection and then come to this page. 25 Q. All right. So typed in the search fields</p>
<p style="text-align: right;">Page 63</p> <p>1 number, which is on the bottom right-hand corner on the 2 first page is Ancestry 1. Do you recognize this 3 document, Mr. Godfrey? 4 A. I do. Would you mind making it just a 5 little bit wider? Thank you very much. 6 Q. So this first page appears to show your 7 book search results for Tony Sessa, correct? 8 A. Yes. 9 Q. What sort of user would see the search 10 results in this format that's shown in Exhibit 3? 11 A. Free trialists and subscribers should have 12 access to this page. 13 Q. And does this document, Exhibit 3, show 14 the full screenshot of what the Ancestry website would 15 look like when you're looking at the search results? 16 A. No, it's missing the header, for example, 17 on the page. 18 Q. Okay. And if the user that was looking at 19 this search, the free trial user or the subscriber 20 clicked the view record, where would that take the 21 user? 22 A. It would take them to the record page 23 itself where the image and all the fields of 24 information that we transcribed from the record are 25 available.</p>	<p style="text-align: right;">Page 65</p> <p>1 on Exhibit 4 is Mark Sessa and a location of Nevada, 2 U.S.A. Do you see that? 3 A. I do. 4 Q. And then scroll down to the fourth page of 5 this exhibit, Ancestry 9 Bates number. Does this 6 appear to be the results for that search that was input 7 on the first page? 8 A. It does. 9 Q. And what sort of user would see the search 10 results in this format? 11 A. Registered users or visitors to the site. 12 Q. Okay. So if they clicked on this view 13 image, there's just a little thumbnail, would that be 14 -- would that result in a redirect to a page prompting 15 a subscription purchase? 16 A. Again, the list here, the search on the 17 list here showing the possible matches that we have, if 18 they click on any of those, then we show them the page 19 of the subscription package offering so that they could 20 access those results in more detail. 21 Q. And would there be a hover over for both 22 view record and the view image? 23 A. Yes, typically, yes, there is. 24 Q. Would those hover overs look materially 25 similar to the versions we just looked at in the</p>

17 (Pages 62 - 65)

Page 68

A horizontal bar chart with 11 bars. The bars are black and have varying lengths. The first bar is the longest, followed by the second, third, and fourth bars which are also quite long. The fifth bar is shorter, and the sixth bar is the shortest. The seventh bar is medium length, and the eighth bar is the longest again. The ninth bar is medium length, and the tenth bar is the longest. The eleventh bar is the shortest.

Bar Index	Relative Length (approximate)
1	95
2	90
3	85
4	92
5	75
6	65
7	78
8	95
9	88
10	92
11	68

17 Q. And when someone conducts a search in the
18 yearbook of the yearbook collection with a name, is
19 that search run against that, a database with those
20 transcribed names in it?

21 A. It is.

When did Ancestry first start acquiring 16 yearbooks for use in its yearbook collection? 17 A. As I mentioned earlier, I believe it's 18 sometime around 2007, 2008, but before my -- before I 19 joined the company. 20 Q. Do you know when Ancestry first started 21 obtaining yearbooks from Nevada schools? 22 A. Books from those schools could have been 23 as early as that, as those collections are varied. 24 Q. Do you know how many total yearbooks are 25 in Ancestry's yearbook collection today?</p>	<p style="text-align: right;">Page 72</p> <p>1 they can download to submit to where to send their 2 yearbook and, so, send along with the yearbook. It 3 comes to our offices here where we have local scanning 4 capabilities to scan and then transcribe the book and 5 publish it in the collection. 6 Q. There's a form that gets filled out? 7 A. (Witness nods head.) 8 Q. Is that yes? 9 A. Yes. Sorry. Yes. 10 Q. Where is that form available to the 11 public? 12 A. It's available on the collection page and 13 I believe it's also available on the yearbooks landing 14 page that we discussed before, the main search page for 15 the collection. 16 Q. How do you get to the main search page for 17 the yearbook collection? 18 A. You can, if -- you can go to the main 19 search and filter down to the right category and then 20 find the collection listed there to get to that main 21 search page. 22 Q. And does that donations form get filled 23 out online or sent in via hardcopy? 24 A. I believe that is sent in along with the 25 book. The instructions are sent along with the book.</p>
<p style="text-align: right;">Page 71</p> <p>1 A. Yes, a little bit over 250,000 books. 2 Q. Do you know how many of those yearbooks 3 are from schools in Nevada? 4 A. We do have that information, but I don't 5 have that information at my fingertips right now. 6 Q. But that is knowable information? 7 A. Yes. 8 Q. Does Ancestry continue to add new 9 yearbooks to its yearbook collection? 10 A. We do. 11 Q. Approximately how many yearbooks per year 12 are added to the collection? 13 A. It varies depending on what we find each 14 year, but a typical year may be 10,000, 15,000 more 15 books, depending on donations as well. 16 Q. Do you have any sense of how many new 17 yearbooks from Nevada are added each year? 18 A. I don't have that detail. 19 Q. Is that something that is knowable? 20 A. It is knowable, yes. 21 Q. Can you describe for me at a high level 22 the yearbook donation process; how does that work? 23 A. Sure. Any individual, whether they're an 24 Ancestry member or not, who is interested in donating 25 their book can go to the website and there's a form</p>	<p style="text-align: right;">Page 73</p> <p>1 Q. I'm introducing Exhibit 5, which I will 2 share. 3 (Exhibit 5 marked) 4 Q. Introduced Exhibit Number 5, which is 5 titled School Yearbook Submission Program and I can 6 represent I downloaded this from the Ancestry.com 7 website yesterday, October 4th. Do you recognize this 8 document, Mr. Godfrey? 9 A. I do recognize the document, yes, the 10 page, yes. 11 Q. Does this appear to be the form that you 12 were just testifying about that gets sent in with a 13 yearbook donation? 14 A. It does. It does appear to be that. 15 Q. Do you know whether this form has changed 16 from 2016 to the present? 17 A. I don't know for sure whether it's 18 changed. 19 Q. Who would know that information? 20 A. We could probably ask that of our product 21 organization, but I'm doubtful that it has changed. 22 It's been a pretty consistent program since it was 23 first started. 24 Q. Would you expect that if there are prior 25 versions of this form, those would be available in</p>

19 (Pages 70 - 73)

CONFIDENTIAL

<p style="text-align: right;">Page 74</p> <p>1 Ancestry's records?</p> <p>2 A. I wouldn't expect that just given the</p> <p>3 longevity of -- or how long ago some of these could</p> <p>4 have been provided, so.</p> <p>5 Q. Would you expect if it's been any</p> <p>6 different from 2016 to the present that those versions</p> <p>7 would be available in Ancestry's records?</p> <p>8 A. I don't have an expectation of that. I</p> <p>9 don't know.</p> <p>10 MS. BORRELLI: Jack, I just want to ask,</p> <p>11 since it's top of mind, if there's a prior version of</p> <p>12 this form, we would ask that it be produced in part</p> <p>13 because Ancestry's interrogatory responses suggest that</p> <p>14 consent may be provided via the donation form, I</p> <p>15 believe. So we would want all prior versions of this.</p> <p>16 MR. BAUMANN: That's that off the record,</p> <p>17 and I'm not sure that this document would have been</p> <p>18 responsive to any of plaintiffs' request for</p> <p>19 production, which -- we can -- I'm happy to discuss.</p> <p>20 MS. BORRELLI: Yeah, let's follow up.</p> <p>21 Okay.</p> <p>22 Q. Is there anywhere in this yearbook</p> <p>23 donation form, and let me know if you need me to</p> <p>24 scroll, that suggests that the creator or the publisher</p> <p>25 of the yearbook being donated intended the yearbook to</p>	<p style="text-align: right;">Page 76</p> <p>1 yearbooks and donation forms and reviews those?</p> <p>2 A. So the donated yearbooks come into the</p> <p>3 content organization, so my team here at the office.</p> <p>4 Q. Does that team ever have any follow-up</p> <p>5 contact with the individual who donated the yearbook?</p> <p>6 A. They could if there are, for example,</p> <p>7 questions about or maybe sometimes articles are left in</p> <p>8 the yearbook, personal photos, other things they</p> <p>9 probably didn't intend to send us that we'll, you know,</p> <p>10 endeavor to try to return back to them. But as a</p> <p>11 general rule, I don't -- no, I don't think there's</p> <p>12 additional contact after the record -- after the book</p> <p>13 has been delivered.</p> <p>14 Q. So, as far as you know, that team is not</p> <p>15 reaching out to the individual to ask them whether they</p> <p>16 hold a copyright in the yearbook that they've donated?</p> <p>17 A. No, they're not, nothing beyond the</p> <p>18 representation here.</p> <p>19 Q. In Ancestry's interrogatory responses,</p> <p>20 which I think you stated at the beginning of today you</p> <p>21 reviewed in preparation for our discussion today,</p> <p>22 correct?</p> <p>23 A. Yes.</p> <p>24 Q. In response to Interrogatory Number 1,</p> <p>25 Ancestry stated, quote, Ancestry receives yearbook</p>
<p style="text-align: right;">Page 75</p> <p>1 be published on the internet?</p> <p>2 A. I'm not a lawyer, so I don't know for</p> <p>3 sure, but I don't -- I think this document is speaking</p> <p>4 to the intent of the submitter, the donor of the</p> <p>5 yearbook and isn't speaking to the school, for example,</p> <p>6 or the original organization that may have created it.</p> <p>7 Q. If you look under the heading Donation</p> <p>8 Agreement, the second paragraph, it says I hereby</p> <p>9 claim, to the best of my knowledge and efforts to</p> <p>10 verify that each of the yearbooks hereby individually</p> <p>11 identified on the reverse side are, A, not bound by</p> <p>12 copyright restrictions or, B, the copyright is held by</p> <p>13 the donor. Does Ancestry do anything to verify whether</p> <p>14 the yearbook is bound by copyright restrictions or if</p> <p>15 the copyright is held by the donor?</p> <p>16 MR. BAUMANN: I'm going to object to the</p> <p>17 extent it calls for a legal conclusion or asks for</p> <p>18 information that you've heard from attorneys and, with</p> <p>19 that, disclosed attorney-client privileged information.</p> <p>20 To the extent you have knowledge of facts that are</p> <p>21 separate and apart from those privileged conversations,</p> <p>22 you can answer.</p> <p>23 A. I don't know that I have anything separate</p> <p>24 from those privileged conversations that I'm aware of.</p> <p>25 Q. Who at Ancestry receives the donated</p>	<p style="text-align: right;">Page 77</p> <p>1 donations from individuals who enter into a donation</p> <p>2 agreement with Ancestry and verify that the copyright</p> <p>3 holder grants permission to Ancestry to put the</p> <p>4 yearbooks online. Can you point me to where in this</p> <p>5 document, Exhibit 5, it says that the copyright holder</p> <p>6 is granting permission to Ancestry to put the yearbooks</p> <p>7 online?</p> <p>8 MR. BAUMANN: I'll object to the extent it</p> <p>9 calls for a legal conclusion to the extent the document</p> <p>10 speaks for itself.</p> <p>11 Q. You can answer the question, Mr. Godfrey.</p> <p>12 A. I don't know that I have anything further</p> <p>13 to add other than the document, other than what's in</p> <p>14 the document here itself.</p> <p>15 Q. Well, I'm asking you where in this</p> <p>16 document does it say that the copyright holder grants</p> <p>17 permission to Ancestry to put the yearbooks online?</p> <p>18 MR. BAUMANN: Same objections, but you're</p> <p>19 free to answer.</p> <p>20 A. I just look at the, I look at the last</p> <p>21 line, which is where the user is either describing that</p> <p>22 it's not bound by copyright restriction or that they</p> <p>23 hold that copyright.</p> <p>24 Q. Okay. Is there anything in this document,</p> <p>25 Exhibit 5, that suggests the donor is giving Ancestry</p>

20 (Pages 74 - 77)

CONFIDENTIAL

Page 78

1 permission to use the yearbook to promote subscriptions
2 to Ancestry.com?

3 A. We don't use any specific yearbook to
4 promote subscriptions to Ancestry.com.

5 Q. But you would agree that if a yearbook
6 record is searched for by a visitor or a
7 nonregistered -- or a registered user, I'm sorry, to
8 view the record, they would be sent to a page promoting
9 subscriptions, correct? We walked through that?

10 A. That's not using the yearbook collection
11 to promote the service. That's showing the user
12 possible matches to if they're interested in finding
13 and helping them understand that that service is behind
14 the subscription -- requires a subscription access, but
15 promotion implies something that's proactive from the
16 company, not something the user coming to search for
17 something and us showing them potential matches for
18 what they're searching for.

19 Q. Okay, but the potential matches are
20 derived from yearbooks, correct?

21 A. Potential matches to what they're
22 searching for are derived from the collection, but
23 those aren't promotions. That's the results -- that's
24 potential results for what the user is searching for.

25 Q. And to view the results, which are from

Page 80

[illegible]

Page 79

1 the yearbook collection, the person would need to
2 subscribe to the Ancestry.com service?

3 A. Definitely, as are any of the other
4 services that are offered as part of the subscription.

5 Q. Does Ancestry track which yearbooks are
6 received via donation?

7 A. We do our best to, yes. We've been
8 gathering them for a very long time, so yes, we do our
9 best to do them.

10 Q. How is that tracked?

11 A. Through various spreadsheets and documents
12 over time based on different sources. Sometimes those
13 lists are included, for example, in licensing
14 agreements and other means.

15 Q. Does Ancestry keep track of whether the
16 individual who donated a yearbook is a registered user
17 or subscribing user with Ancestry?

18 A. We do not.

19 Q. All right. I'm introducing Exhibit Number
20 6, which I will share.

1 confirm whether that yearbook was already publicly
2 available and on the internet and made publicly
3 available on the internet by the original publisher?

4 A. No.

[illegible]

Page 127

[illegible]

14 MS. BORRELLI: Yeah, Jack, if those exist,
15 we invite those be produced, please, for the time
16 period that the Court has ordered.

17 MR. BAUMANN: We can discuss that off the
18 record.

19 MS. BORRELLI: Sure. All right. That's
20 it for topic 7. See, Jack, not so objectionable.

21 Q. Moving on to topic 9, the number of
22 yearbook names and yearbook photographs and the
23 yearbook database from schools in Nevada. I may have
24 asked you this earlier, so apologies, but do you know
25 how many yearbooks from schools in Nevada are in the

Page 128

1 Ancestry collection?

2 A. I don't have the approximate count, but it
3 is knowable.

4 Q. And that's knowable because Ancestry
5 categorizes each yearbook by state, correct?

6 A. Because we can filter the database by
7 state, yes.

8 Q. Does Ancestry ever remove yearbooks from
9 its yearbook collection?

10 A. I'm not aware of removing entire yearbooks
11 from the collection.

12 Q. Ancestry has represented that it does not
13 know how many yearbook names or yearbook, individual
14 yearbook records from Nevada yearbooks are in its
15 yearbook collection. Can you explain why Ancestry does
16 not know that information?

17 A. So, sorry, two thoughts or two elements in
18 that response: The first is, the number of records
19 that we have from a book is not a match to the number
20 of names that are in the book. We do our best to find
21 every name and to extract every name. We use some
22 automation to help us with that at the scale, but we --
23 there's many that we miss, but the nature of yearbooks
24 themselves also makes that difficult in that for any
25 given yearbook a name can be, of a student, can be

Page 129

1 there multiple times, multiple students can have the
2 same name and then multiple yearbooks year after year
3 in a series, let's say a 4-year series having all four
4 books from each of those four years, could also all be
5 part of the database and, so, identifying a unique
6 count of names that we have in the book is almost
7 impossible to do.

8 Q. With the information that Ancestry has,
9 could it make an estimate of the number of yearbook
10 names from Nevada yearbooks?

11 A. We could not. Every yearbook is --

12 Q. Tell me how many -- go ahead.

13 A. As to every yearbook is structured

14 differently by wonderful well-meaning students at the
15 schools with a variety of formats with a variety of
16 types of areas where they may highlight individual
17 students individually on their page but also on
18 subsequent pages like sports teams and others and, so,
19 it is impossible to get an accurate estimate count of
20 the number of record -- the number of individuals from
21 any given book.

22 Q. Could Ancestry estimate the number of
23 yearbook records associated with schools from Nevada?

24 A. We do. We can find a yearbook count for
25 schools that are in the place of Nevada.

CONFIDENTIAL

<p style="text-align: right;">Page 130</p> <p>1 Q. Not a yearbook count, I'm sorry, but --</p> <p>2 A. A record count. We could -- we can</p> <p>3 provide a count of records that have come from books</p> <p>4 that are placed in Nevada.</p> <p>5 Q. Okay.</p> <p>6 MS. BORRELLI: Jack, that's another one we</p> <p>7 should talk about offline.</p> <p>8 MR. BAUMANN: Sure.</p> <p>9 A. What I would add to that is the</p> <p>10 information about the records associated with a</p> <p>11 particular book are not part of the database, so</p> <p>12 there's a mapping, but to a variety of sources that</p> <p>13 have varying degrees of information about each book.</p> <p>14 The site is focused on this page from this place has</p> <p>15 this name, but the book itself from production</p> <p>16 standpoint and in the organization of how we produce</p> <p>17 and extracted the names from the book are held in other</p> <p>18 database sources and, so, there is a quite complex</p> <p>19 mapping to get there to try to come up with that</p> <p>20 answer.</p> <p>21 Q. But it is possible?</p> <p>22 A. It is possible. Just a level of effort.</p> <p>23 As record, again, just as records.</p> <p>24 Q. Yes, understood.</p> <p>25 A. Not having a perfect understanding of the</p>	<p style="text-align: right;">Page 132</p> <p>1 scanning work or the images that we receive from</p> <p>2 partners and those we acquired content from, we're</p> <p>3 talking about page from the yearbook photo -- sorry,</p> <p>4 from the yearbook itself, not the individual multiple</p> <p>5 photos that could be on that page.</p> <p>6 Q. But then doesn't Ancestry tie each</p> <p>7 photograph to a name?</p> <p>8 A. We do our best to try to tie some of the</p> <p>9 head shots to a specific name -- well, record for us on</p> <p>10 the page, but, again, all we store is the page itself</p> <p>11 and then do our best to try to understand the pieces</p> <p>12 that are within that page.</p> <p>13 Q. So does Ancestry keep track for any one</p> <p>14 yearbook page how many individual records are</p> <p>15 associated with that page?</p> <p>16 A. There is a record account of the number of</p> <p>17 records that we have taken from the page. It is</p> <p>18 something that is knowable. Again, not stored in the</p> <p>19 main database on the service. It would take some --</p> <p>20 quite a bit of work to do in mapping multiple sources,</p> <p>21 but, but there is an association between the record and</p> <p>22 the image of that record that that record appears in.</p> <p>23 Q. So you could potentially identify the</p> <p>24 number of records associated with each yearbook?</p> <p>25 A. There is, with some work, there is</p>
<p style="text-align: right;">Page 131</p> <p>1 names in a given book.</p> <p>2 Q. And Ancestry has represented that it does</p> <p>3 not know how many separate yearbook photographs from</p> <p>4 Nevada yearbooks are in the yearbook collection. Why</p> <p>5 does Ancestry not know that information?</p> <p>6 A. Could you define yearbook photographs? I</p> <p>7 think that will help with the question.</p> <p>8 Q. Yeah, so, say Mark Sessa, he appears in a</p> <p>9 particular yearbook in his individual photograph with</p> <p>10 his class and then he also appears in a photograph with</p> <p>11 the tennis team and the drama club so those are three</p> <p>12 separate photographs?</p> <p>13 A. I think I understand the question. For</p> <p>14 us, the image that we have is of the page. We don't</p> <p>15 have -- we don't break that down further and store each</p> <p>16 individual photo or head shot or sports team group</p> <p>17 photo or what have you. The imagery that we have are</p> <p>18 organized by page.</p> <p>19 Q. Didn't you testify earlier that each</p> <p>20 photograph comes with its own special set of metadata?</p> <p>21 A. Each image, each page of the yearbook</p> <p>22 comes with its own special metadata.</p> <p>23 Q. Got it. So each yearbook page, not each</p> <p>24 specific photo on a yearbook page?</p> <p>25 A. Correct. When we're talking about</p>	<p style="text-align: right;">Page 133</p> <p>1 possibility to do that.</p> <p>2 Q. Okay. Moving on to topic 10, the number</p> <p>3 of subscribers whose accounts are associated with a</p> <p>4 Nevada address and categories of information Ancestry</p> <p>5 possesses about its subscribers. What information does</p> <p>6 Ancestry collect from registered users as part of the</p> <p>7 registration process?</p> <p>8 A. To register you simply need to provide an</p> <p>9 email address and set a password.</p> <p>10 Q. Can registered users tie themselves to any</p> <p>11 records in the Ancestry collections? Like, could I</p> <p>12 register and tie myself to my yearbook photo?</p> <p>13 A. It's not really how the service works. As</p> <p>14 a registered user, you can come in and create a family</p> <p>15 tree, you can create multiple family trees. You can</p> <p>16 create one for your spouse or your cousin or friend if</p> <p>17 you like and within each one of those, you would list</p> <p>18 family members, you know, that you're looking for or</p> <p>19 that you know are on that family tree and that may or</p> <p>20 may not include yourself in that family tree, but</p> <p>21 again, that's for use of the family tree. The</p> <p>22 association with records is not connected to that.</p> <p>23 Q. So if I start a family tree with myself in</p> <p>24 that tree, can I tie Ancestry records to that family</p> <p>25 tree so if someone is looking for me to do their own</p>

CONFIDENTIAL

Page 134

1 family tree, they find that, you know, Raina Borrelli
2 is associated with the use of your book records and
3 this birth certificate?

4 A. Yeah, so, when you use the service and you
5 find records, you search for records using the search
6 process we described and you find one that you believe
7 is associated with someone in your family tree, whether
8 it's yourself or someone else, you can save that record
9 in the family tree to that name, to that person on your
10 tree, again, yourself or others and you can do that
11 across the yearbook collection, across all the
12 collections and records that we have and then as you
13 collaborate with other people on the service, usually
14 cousins are on the service, others that are related or
15 interested in the same family trees, you can share
16 those discoveries with them and vice versa.

17 Q. So is there a way to identify registered
18 users who have associated themselves on their family
19 tree with a Nevada yearbook record?

20 A. Not at an aggregate level. What we can
21 understand is who are the users in a discovery in the
22 yearbooks and save something to someone in their tree,
23 but the element of being their own personal record for
24 themselves is not something that we, we specifically
25 track.

Page 136

1 billing address. Does that refresh your memory as to
2 whether Ancestry collects billing addresses for paying
3 subscribers?

4 A. Sure, the ZIP Code would provide that
5 association.

6

Bar Index	Approximate Length (Relative)
1	100%
2	30%
3	5%
4	45%

11	70%
12	100%
13	100%
14	70%
15	90%

Page 135

1 Q. Okay. And what information does Ancestry
2 collect from free trial users as part of the
3 registration process?

4 A. Our focus would be on the billing
5 information required for the payment. So for example,
6 currently we collect the ZIP Code and the payment
7 information itself from the card.

8 Q. Does Ancestry require free trial users to
9 input a billing address or just a ZIP Code?

10 A. We require a ZIP Code.

11 Q. And then what information does Ancestry
12 collect from paying subscribers as part of the
13 subscription process?

14 A. It would be very similar to free
15 trialists. Most subscribers were just formally free
16 trialists.

17 Q. Do paying subscribers need to disclose a
18 home address or billing address or just a ZIP Code?

19 A. Current paying subscribers do not need to
20 disclose anything more than the basics for billing and
21 right now that's the ZIP Code.

22 Q. In Ancestry's interrogatory responses in
23 response to Interrogatory Number 10, it states that it
24 can determine the total number of Ancestry paying with
25 subscribers whose accounts are associated with a Nevada

Page 137

[illegible]

CONFIDENTIAL

<p style="text-align: right;">Page 138</p> <p>1 Q. I will move on to topic 11, process by 2 which Ancestry obtains consent from the subject of 3 yearbook names and yearbook photographs to use their 4 yearbook photographs in marketing emails and on-site 5 messages, including whether such consent was obtained 6 from plaintiffs or the class. 7 Does Ancestry obtain written consent from 8 each individual appearing in a yearbook record on 9 Ancestry.com to display their name and yearbook photo 10 on Ancestry's website? 11 A. Again, examples where we do receive 12 consent are the terms, people signing up for the terms 13 and conditions of the site as a user and the example of 14 those who donate their own individual yearbooks for use 15 on the website, but outside of that, generally no, we 16 do not seek that consent. 17 Q. So if an individual has never visited 18 Ancestry.com or has never registered or signed up in 19 any other way, Ancestry has not obtained expressed 20 written consent to display their yearbook photo, 21 correct? 22 A. Correct. 23 Q. Does Ancestry have any written policies or 24 procedures outside of the terms of service related to 25 obtaining consent from the subjects of yearbook photos</p>	<p style="text-align: right;">Page 140</p> <p>1 A. Yeah, I would say I can't at the moment 2 without reviewing. 3 Q. Okay. We can look at some examples of the 4 terms of service, which has been modified a bit over 5 the years. So let's pick one. I will introduce 6 Exhibit 17, which is Bates stamped Ancestry 716. 7 (Exhibit 17 marked) 8 Q. Do you recognize this document, Exhibit 9 17? 10 A. Generally, yes, obviously an older 11 document, but yes. 12 Q. Sure. I will scroll through this and let 13 you read. I'd like you to just identify the portion of 14 this terms of service that provides that the user is 15 giving consent for the use of their yearbook record on 16 Ancestry.com. 17 MR. BAUMANN: And objection; calls for a 18 legal conclusion, the document speaks for itself. 19 A. You can scroll to the next page if you 20 like. 21 Q. Just let me know when I need to scroll. 22 A. Again, you're asking me to look for 23 explicit permission for the yearbook photo to be shared 24 on the site? 25 Q. Ancestry's response to Interrogatory</p>
<p style="text-align: right;">Page 139</p> <p>1 in its yearbook collection? 2 A. Not that I'm aware of. 3 Q. Has it ever had any such policy? 4 A. Again, not that I'm aware of. 5 Q. So in response to Interrogatory Number 3, 6 which asks about the ways in which Ancestry obtains 7 written consent from the subject of yearbook photos, 8 Ancestry responded that Ancestry users provide consent 9 through agreement to Ancestry's terms and conditions; 10 is that correct? 11 A. Yes, that's correct. 12 Q. I think you testified earlier that the 13 terms of service would only apply to people who 14 registered as a user or have a free trial or a paid 15 subscription, correct? 16 A. Yes. 17 MR. BAUMANN: Object to the extent that 18 calls for a legal conclusion. 19 Q. Sitting here today, can you identify which 20 portion of the Ancestry terms of service requires users 21 to provide consent for the use of their yearbook 22 photograph and record? 23 MR. BAUMANN: I'll object to the extent it 24 calls for a legal conclusion and that document speaks 25 for itself.</p>	<p style="text-align: right;">Page 141</p> <p>1 Number 3 said Ancestry users provide consent through 2 agreement to Ancestry's terms and conditions and the 3 request was asking where is there consent provided for 4 the use of yearbook records. 5 A. So, again, from my limited perspective, 6 not being on the legal side, I think there is a section 7 in the scroll above that speaks to user-provided 8 content and that's an area that speaks to records that 9 are specific to them as an individual. 10 Q. Does user-provided content include 11 yearbook records that are not provided by the user? 12 MR. BAUMANN: Same objections. 13 A. I'm not sure how to respond given you're 14 asking me to clarify legal language. 15 Q. Well, Ancestry's interrogatory responses, 16 which I believe are signed by you, say -- yes, you 17 signed those -- say that in response to Interrogatory 18 Number 3 -- why don't I just put this up. I'm gonna 19 switch the document we're looking at if that's okay. 20 A. I can see the -- sorry. 21 Q. Oh, you can see the interrogatories? 22 A. Yeah. 23 Q. Oh, great. I wasn't sure that was just 24 showing the exhibit page. Okay, so, identify and 25 describe the process by which Ancestry obtains written</p>

CONFIDENTIAL

<p style="text-align: right;">Page 142</p> <p>1 consent as required by NRS 597.790(2) from plaintiffs 2 or any members of the class for the use of their 3 yearbook photographs, yearbook names, and/or personal 4 information in on-site messages or marketing emails. 5 And in response, which you signed as to 6 the substantive response, it says Ancestry users 7 provide consent through Ancestry's terms and 8 conditions. I'm asking where in the terms and 9 conditions that consent is provided. 10 MR. BAUMANN: I'll lodge the same 11 objection. This interrogatory and how he responded to 12 it asked about the facts as to how users might provide 13 consent. What you're asking now is for legal 14 assertions and legal interpretations of the contract 15 relating to whether that consent might be sufficient. 16 So this describes the facts, Mr. Godfrey described the 17 facts and as a witness that's what he's here to do. 18 The legal aspects of it are for you and I and the Court 19 to, ultimately, respectively. So, again, object on the 20 grounds that this calls for a legal conclusion. 21 MS. BORRELLI: Well, there is a factual 22 response. Ancestry is asserting that users provide 23 consent through agreement to Ancestry's terms and 24 conditions. All I'm asking is where in the terms and 25 conditions is that consent provided? If the answer is</p>	<p style="text-align: right;">Page 144</p> <p>1 that methodology? 2 A. I don't, I don't have any information 3 about that. 4 Q. So, as far as you know, Ancestry does not 5 keep track of whether consent has been provided in that 6 way? 7 A. I just don't know our process for doing 8 that. 9 Q. As far as you know, is there any record of 10 such explicit written consent related to consent via 11 agent or other third party? 12 A. I wouldn't be familiar with whether there 13 is. 14 Q. And then that response continues by 15 Ancestry, it says, further plaintiffs and the putative 16 class members could consent by providing consent to a 17 third party who in turn provided consent to Ancestry. 18 What does that mean? What third parties could have 19 provided consent? 20 A. I'm only speculating, but it could be, for 21 example, the archive from which we received permission 22 to publish the collection to publish the individual 23 book, as an example, but I'm . . . 24 Q. Does Ancestry keep track of whether any 25 plaintiff or putative class member consented by</p>
<p style="text-align: right;">Page 143</p> <p>1 I don't know, then that's the answer, but I think I'm 2 entitled to an answer to this question. 3 MR. BAUMANN: -- facts, which is what 4 Ancestry provided in the interrogatory response and 5 what Mr. Godfrey provided now, and I think he's already 6 answered your question, but go ahead, Mr. Godfrey. I'm 7 not instructing you not to answer. 8 A. Yeah, I don't know how to answer your 9 question. 10 Q. Okay. And if I show you any other 11 versions of Ancestry's terms and conditions that have 12 existed between 2010 and the present, do you think 13 you'd be able to identify where in those terms and 14 conditions Ancestry users provide consent to have their 15 yearbooks, photographs, used by Ancestry? 16 A. I don't know that I would. 17 Q. Okay. I'm sorry, I'm gonna put that right 18 back up. Also in response to Interrogatory 3 Ancestry 19 stated in addition, plaintiffs and putative class 20 members could consent via an agent or other third 21 party; for example, through an attorney's agreement to 22 Ancestry's terms and conditions in signing up for 23 Ancestry's services. 24 How does Ancestry track if it has received 25 consent from any plaintiff or putative class member via</p>	<p style="text-align: right;">Page 145</p> <p>1 providing consent to a third party? 2 A. I'm just not familiar with that to know. 3 Q. So sitting here today you can't point to 4 any records of explicit written consent by plaintiffs 5 or putative class members that provide consent through 6 a third party? 7 A. I'm just not, I'm just not aware of that 8 part of the process, so I don't have any knowledge 9 either way. 10 Q. Beyond these three categories identified 11 in Ancestry's interrogatory response with respect to 12 how it obtains consent, are there any other ways in 13 which Ancestry alleges it obtains consent from the 14 subjects of yearbook records to display their photos on 15 Ancestry? 16 A. As we have described, the yearbook 17 donation program and specifically contributed by users 18 in the book -- or individuals, excuse me. They may not 19 be users, but individuals in the book. 20 Q. Has Ancestry ever provided notice to the 21 subject of the yearbook records in its yearbook 22 collection that their yearbook records appear on 23 Ancestry.com? 24 A. Outside of those users searching the 25 collection and finding them or identifying them in that</p>

CONFIDENTIAL

<p style="text-align: right;">Page 146</p> <p>1 way, I'm not aware that we have.</p> <p>2 Q. Does Ancestry contend that it received</p> <p>3 consent from the plaintiffs in this case, Anthony Sessa</p> <p>4 or Mark Sessa, to display their yearbook photos on</p> <p>5 Ancestry?</p> <p>6 MR. BAUMANN: Calls for a legal</p> <p>7 conclusion.</p> <p>8 A. I'm not familiar with the plaintiffs'</p> <p>9 interactions with the terms and conditions or their</p> <p>10 status as a user.</p> <p>11 Q. All right. Topic 12, Ancestry's</p> <p>12 understanding as to whether their use of yearbook</p> <p>13 photographs, yearbook names and other personal</p> <p>14 information implicates the privacy of the subject or</p> <p>15 their intellectual property right. Would you agree</p> <p>16 that yearbook photographs are often photographs of</p> <p>17 people when they were minors?</p> <p>18 A. Yes.</p> <p>19 Q. Do you agree that yearbook photographs are</p> <p>20 often personal?</p> <p>21 A. I don't.</p> <p>22 Q. Okay. Why don't you?</p> <p>23 A. Because the yearbook is compiled as part</p> <p>24 of a process at the school and, you know, and broadly</p> <p>25 distributed publicly to all the attendees of the school</p>	<p style="text-align: right;">Page 148</p> <p>1 MS. BORRELLI: So, Jack, I understand your</p> <p>2 objection. I think this is a yes or no question and I</p> <p>3 think the fact the discussions have happened whether or</p> <p>4 not they involved attorneys is not privileged.</p> <p>5 MR. BAUMANN: I disagree. You're asking</p> <p>6 about the fact of specific conversations and specific</p> <p>7 content and whether those occurred, the fact that those</p> <p>8 conversations and whether they occurred would be</p> <p>9 privileged because it's specific to -- I mean, by</p> <p>10 asking that very question, were you to receive a "yes"</p> <p>11 answer, you would then know about privileged</p> <p>12 conversations that Ancestry had with its attorneys and</p> <p>13 the content of those conversations. The instruction on</p> <p>14 that one stands.</p> <p>15 Q. Okay. Topic 13 requests that Ancestry has</p> <p>16 received to remove yearbook names, yearbook photographs</p> <p>17 or other personal information from Ancestry.com,</p> <p>18 including any policies or procedures of Ancestry and</p> <p>19 Ancestry's response to such requests. Does Ancestry</p> <p>20 have a procedure for individuals to request that</p> <p>21 Ancestry remove their yearbook record from its yearbook</p> <p>22 database?</p> <p>23 A. Yes, we do.</p> <p>24 Q. And what is that, what is that procedure?</p> <p>25 A. An individual who can either contact our</p>
<p style="text-align: right;">Page 147</p> <p>1 and the local community and in many other ways.</p> <p>2 Q. Do you agree that some people may not want</p> <p>3 their yearbook photographs published on the internet?</p> <p>4 MR. BAUMANN: Calls for speculation.</p> <p>5 A. Generally it's been our experience that</p> <p>6 some people have -- had objected and have requested</p> <p>7 that we remove them.</p> <p>8 Q. Has Ancestry ever had internal discussions</p> <p>9 about privacy concerns associated with publicizing on</p> <p>10 the internet yearbook photos?</p> <p>11 MR. BAUMANN: I'll just object to the</p> <p>12 extent this question asks for communications and advice</p> <p>13 received from counsel, whether outside counsel or</p> <p>14 internal counsel. I would instruct you, Mr. Godfrey,</p> <p>15 not to answer on the basis of privilege. To the extent</p> <p>16 you have an understanding that is independent from any</p> <p>17 conversations with your attorneys, then you can go</p> <p>18 ahead and answer.</p> <p>19 A. Those subjects would involve discussions</p> <p>20 with attorneys and, therefore, I have no response.</p> <p>21 Q. Okay.</p> <p>22 MS. BORRELLI: Ann, actually, could you</p> <p>23 read back my question before the objection.</p> <p>24 (The requested portion of the record was</p> <p>25 read by the court reporter.)</p>	<p style="text-align: right;">Page 149</p> <p>1 customer support center or on the record itself, anyone</p> <p>2 on Ancestry can request the removal of a record for</p> <p>3 themselves or their children and those requests are</p> <p>4 routed to our customer service organization to review</p> <p>5 them and then if confirmed that meets the criteria,</p> <p>6 then they remove the record from the database.</p> <p>7 Q. What are the criteria for removal?</p> <p>8 A. Again, it's a record -- to the best of our</p> <p>9 understanding, that it is a record about yourself or a</p> <p>10 child of yours, which is a general policy across all of</p> <p>11 our record collections.</p> <p>12 Q. And to the best of your knowledge, does</p> <p>13 Ancestry always follow that policy and procedure when</p> <p>14 such a request is made?</p> <p>15 A. We do make every effort to do so.</p> <p>16 Q. When did that procedure first begin at</p> <p>17 Ancestry?</p> <p>18 A. Boy, that procedure probably predates my</p> <p>19 time at Ancestry, so it's been at least over a decade.</p> <p>20 Q. So has Ancestry received requests from</p> <p>21 individuals to remove their yearbook record from its</p> <p>22 yearbook collection?</p> <p>23 A. Yes, we have.</p> <p>24 Q. And practically speaking, how does</p> <p>25 Ancestry accomplish that?</p>

CONFIDENTIAL

<p style="text-align: right;">Page 150</p> <p>1 A. Once the request is received, you're 2 either, again, verbally by calling, by contacting 3 customer service or by on-site at the record, you can 4 request it there. Those requests are gathered quickly 5 by our customer service team, again, reviewed for the 6 criteria to the best of their ability, always, again, 7 deferring to the user. The bar is very low for 8 validating that it is your record or your child's 9 record, but because of our interest in privacy, we 10 defer on that and then we delete the record from the 11 collection. 12 Q. So you would agree that Ancestry provides 13 that procedure in the interest of people's privacy, 14 correct? 15 A. We provide that at the request of the 16 user. Their motivation may vary, but we provide that 17 at the request of the user. 18 Q. But I think you just testified that you 19 would remove the record in the interest of privacy if a 20 person so requests, correct? 21 A. For whatever reason they may request it, 22 we would remove the record, yes. 23 Q. But wouldn't you agree that Ancestry could 24 just say no, I'm not removing the record? 25 A. That is not our policy or process. We</p>	<p style="text-align: right;">Page 152</p> <p>1 been granted versus denied? 2 A. The majority of them have been granted. I 3 think a denial is very rare. Probably be predominantly 4 focused where the user represents that they are not the 5 person involved or don't have any association with any 6 relationship, I should say, with the person directly 7 speaking about. 8 Q. Are those requests, to the extent they 9 come in in written form, saved anywhere? 10 A. I believe so, but I can't confirm. 11 Q. Who would have that information? 12 A. Probably our customer service 13 organization. 14 Q. Do you know if those requests come in via 15 phone if they are memorialized in some way? 16 A. Just want to make sure I understand the 17 question. Can you -- just what you mean by 18 memorialized. 19 Q. Yeah, if someone calls in to ask that 20 their yearbook record be removed, is there some written 21 record of that interaction with that individual? 22 A. I'm fairly certain there's, for example, a 23 customer service ticket or something that would be 24 tracking that particular request. 25 Q. And if those did exist, you think they</p>
<p style="text-align: right;">Page 151</p> <p>1 remove the record when we're asked. 2 Q. Right, but you would agree Ancestry could 3 say no, I'm not going to do that? 4 A. I wouldn't speculate on that. Our policy 5 has been fairly consistent for over a decade and that 6 is the policy. 7 Q. Right, and that's the policy because 8 Ancestry is concerned about privacy when someone 9 expresses a concern directly to Ancestry about that 10 issue, right? 11 A. We are responding for whatever reason the 12 user is requesting their record to be removed, and 13 there are varied reasons. We don't speculate on why. 14 We just respond to the request affirmatively. 15 Q. If a request is granted, how is the record 16 removed from the collection? 17 A. We have a procedure for an individual 18 record to be removed from the database and then once 19 that record is removed, then it is effectively deleted, 20 is no longer part of the collection or available to 21 search or anything else. 22 Q. And has Ancestry, in fact, received such 23 requests? 24 A. We have received requests. 25 Q. Do you know what percentage of those have</p>	<p style="text-align: right;">Page 153</p> <p>1 would be within the customer service organization? 2 A. I do believe so, as they've been 3 responsible for managing that process over time. 4 Q. How does Ancestry handle removal requests 5 that are granted if the individual appears in like a 6 group photo in a yearbook as opposed to only like an 7 individual head shot? 8 A. Again, we would remove the record from the 9 database. 10 Q. Even if that record involved people other 11 than the requesting individual? 12 A. We would not remove others, other records 13 that may be involved in that request. We would only 14 remove the record for the person making the request. 15 Q. What if I made a removal request and it 16 was granted and I also appear in a group photo of the 17 swim team, how is that handled? 18 A. Either the user often communicates to us 19 all the places in the yearbook where they feel that 20 they appear and/or we take some effort as well on our 21 side to try to identify as best we can and remove those 22 instances. 23 Q. So the entire swim team photo could be 24 removed, for example? 25 A. No. No, we remove the record for the</p>

CONFIDENTIAL

<p style="text-align: right;">Page 154</p> <p>1 person requesting their record be removed.</p> <p>2 Q. What do you mean by remove the record in</p> <p>3 the instance of like a group photo?</p> <p>4 A. If the group photo has ten names under it,</p> <p>5 we remove the name of the person who's requesting their</p> <p>6 name, their record be removed from the database.</p> <p>7 Q. What about the image of the person; would</p> <p>8 their face still appear in the group photo?</p> <p>9 A. It would still appear.</p> <p>10 Q. Okay.</p> <p>11 A. And the other individuals in the team,</p> <p>12 swim team in this case, would be separate records.</p> <p>13 Q. Understood. All right. Topic 14, all</p> <p>14 instances in which plaintiffs' name and/or photograph</p> <p>15 appeared in marketing emails or on-site messages. So</p> <p>16 you would agree if I searched for Anthony or Mark Sessa</p> <p>17 from the main Ancestry search page as just a visitor</p> <p>18 or -- or a registered user, if I searched for their</p> <p>19 yearbook records, a search result page would be</p> <p>20 returned that includes their names, correct?</p> <p>21 A. A search result would be returned that</p> <p>22 would include records that matched that name.</p> <p>23 Q. And if I tried to click on a preview of a</p> <p>24 yearbook photo associated with either of those names, I</p> <p>25 would be redirected to a page with subscription</p>	<p style="text-align: right;">Page 156</p> <p>1 Q. So if I asked you has Anthony Sessa's name</p> <p>2 ever been searched for within the Ancestry yearbook</p> <p>3 collection, could you tell me whether it has or has</p> <p>4 not?</p> <p>5 A. Generally, no. If Anthony had a</p> <p>6 registered user account and searched for himself, that</p> <p>7 may be in his recent searches kind of history for his</p> <p>8 benefit so that he could -- so he could repeat a search</p> <p>9 he's used in the past to research, but that would be</p> <p>10 unique for Anthony.</p> <p>11 Q. Does Ancestry know whether a particular</p> <p>12 yearbook record has been viewed or attempted to be</p> <p>13 viewed?</p> <p>14 A. We do know when a record has been viewed.</p> <p>15 So an individual record has been seen in what we would</p> <p>16 term the record page, which we looked at earlier.</p> <p>17 Q. Would you know whether that record had</p> <p>18 been viewed by a visitor, a registered user or a</p> <p>19 subscriber?</p> <p>20 A. It can only be viewed by a subscriber or a</p> <p>21 free trialer.</p> <p>22 Q. Could you tell whether it was viewed by a</p> <p>23 free trial user or a paying subscriber?</p> <p>24 A. We could tell who viewed it and what their</p> <p>25 status was at the moment whether they were in their</p>
<p style="text-align: right;">Page 155</p> <p>1 information, correct?</p> <p>2 A. The next page you would move to would help</p> <p>3 you understand the packages available to acquire a</p> <p>4 subscription.</p> <p>5 Q. And if I hovered over the view record or</p> <p>6 view photo resolved associated with Mark Sessa or</p> <p>7 Anthony Sessa on that search, there would be a hover</p> <p>8 over that includes a sign up now button, correct?</p> <p>9 A. Yes.</p> <p>10 Q. Okay. Does Ancestry track whether</p> <p>11 particular names or records have been searched for?</p> <p>12 A. No. There's a loose association between a</p> <p>13 search and a record. A search can return thousands of</p> <p>14 search results and we do, particularly for registered</p> <p>15 users and subscribers, we do keep a history for their</p> <p>16 sake of searches they conducted in the past in case</p> <p>17 they want to come back and conduct that search again,</p> <p>18 but we do not keep track of the records that showed up</p> <p>19 in the search, in the results list for any given</p> <p>20 search.</p> <p>21 Again, the user is providing us parameters</p> <p>22 for who they may be looking for and seeking on the site</p> <p>23 and then we're returning search results our best effort</p> <p>24 to try to match, to try to find matches of our records</p> <p>25 that may be associated with those search parameters.</p>	<p style="text-align: right;">Page 157</p> <p>1 free trial or had subsequently become a subscriber at</p> <p>2 the time.</p> <p>3 Q. Okay. Can you tell whether anyone has</p> <p>4 attempted to view, for example, Anthony Sessa's</p> <p>5 yearbook record, who was a visitor or a registered</p> <p>6 user?</p> <p>7 A. Yes, if we know the user, meaning they at</p> <p>8 least have registered, then we can -- we do track the,</p> <p>9 for a period of time, the records that they have</p> <p>10 attempted to view.</p> <p>11 Q. So given all of that, do you know whether</p> <p>12 any free trial user has viewed Anthony or Mark Sessa's</p> <p>13 yearbook records?</p> <p>14 A. We know -- I'm not recalling free trial</p> <p>15 specifically, but I do know there are users who have</p> <p>16 viewed those, those records, yes.</p> <p>17 Q. And when you say users, are you including</p> <p>18 registered users in that?</p> <p>19 A. I think it would have to be, having viewed</p> <p>20 the record, it would have to be free trial or</p> <p>21 subscription status in order to do that.</p> <p>22 Q. And do you know whether any registered</p> <p>23 users have attempted to view Anthony or Mark Sessa's</p> <p>24 yearbook records?</p> <p>25 A. Sorry, I'm just trying to recall whether</p>

40 (Pages 154 - 157)

CONFIDENTIAL

<p style="text-align: right;">Page 158</p> <p>1 we did. I don't know whether we do have that or not. 2 I don't think on the attempt. I think it's the actual 3 view that we understand. 4 Q. But you agree that whether an attempted 5 view has been made is something that you could find 6 out? 7 A. Yes. I think that might be, that may be 8 information that we only store for a very limited 9 amount of time. Again, it's primary purpose is focused 10 on optimizing, you know, the search experience and the 11 product managers constantly trying to improve how that 12 is organized for any user, probably use that kind of 13 data, but I don't think it's data we track historically 14 associated with any user for that type of purpose. 15 Q. And do you have a way to track whether an 16 attempted view of Anthony or Mark Sessa's yearbook 17 records led to any user to purchase a subscription? 18 A. Well, when the user decides to purchase a 19 subscription, they've usually attempted to view lots of 20 records and then when they free trial, they view dozens 21 and dozens of records and hopefully if we're 22 successful, save dozens and dozens of those records to 23 their family tree on their journey deciding if they're 24 going to become a subscriber. We do track the records 25 that are involved in that process and the whole</p>	<p style="text-align: right;">Page 160</p> <p>1 and us, as is the expectation that we set with users 2 using the service, we will proactively go out and see 3 if we can identify records that might match and we will 4 proactively send those to you on a regular basis to try 5 to do our best to help you in your search. 6 And, so, in order to receive any hint 7 email, first of all, a hint would have to be created 8 that matches a person you told us you're looking for 9 and the criteria around that person, right, their age, 10 their location, things like that. We want to be 11 reasonably certain that the hint we're suggesting is 12 going to be matched for you. We're not well served if 13 it's not, you know, and, so, that's almost, if you 14 will, a proactive search on our part to help you in 15 your search for those records. 16 And a subset of those hints, many people 17 get lots and lots of hints on a weekly basis, at least 18 that's our intention and hope, but a few of those hints 19 are then provided in kind of ongoing updates so that 20 you know what we're finding that are potentials for you 21 to come and explore. 22 Q. Do you know whether Anthony Sessa or Mark 23 Sessa's yearbook record has been associated with any 24 family tree such that they could be pulled for a hint 25 email?</p>
<p style="text-align: right;">Page 159</p> <p>1 collection of records that they have found saved to 2 their tree, been successful with and all those are -- 3 the data does understand all that they have found on 4 their -- or anyone who has become a subscriber. 5 Q. So for anyone who has become a subscriber, 6 you could identify records they viewed or attempted to 7 view or tied to their family tree before they purchased 8 their subscription? 9 A. I think, I think we have some of that 10 information for a period of time. I don't know how 11 long we store that information, but I do think we have 12 that, and any record that they have actually saved, 13 found and we would say discovered, meaning they have 14 saved it to their family tree, it matches someone that 15 they were looking for, we certainly save that 16 information and have that information as well. 17 Q. Do you know whether Anthony or Mark 18 Sessa's yearbook record has ever appeared in a hint 19 email? 20 A. I don't think that it has. It would only 21 appear to someone who has their names and enough 22 information to possibly match the record for a hint to 23 be created in the first place. So our hints are 24 guesses of what you might be looking for, a hint is our 25 response to you creating a family member in your tree</p>	<p style="text-align: right;">Page 161</p> <p>1 A. I don't believe so. 2 Q. Does Ancestry retain records of each hint 3 email it sends? 4 A. We certainly retain records of all the 5 hints that we generate, so all of the possible record 6 matches and, again, those are available to users as 7 well when they login to the site and they look for, you 8 know, what Ancestry proactively found for me from my 9 family tree and, so, we certainly have that. 10 Again, a subset of those just 11 representative examples from those hints that we have 12 found recently are included in the hint email and I'm 13 not perfectly aware of whether we store which of those 14 have been included in the email or not. I think we 15 have that data, but I would need to confirm. 16 Q. Who would know whether that data exists? 17 A. That would come from our product 18 organization and that's something that we can 19 understand. I was just saying to add to that, there's 20 no hint unless, to be generated, unless you tell us, a 21 user tells us what they're looking for and, so, in this 22 particular case, plaintiffs would have to created a 23 tree and told us and placed themselves amongst other 24 people perhaps in their family tree before there would 25 be any hint that we would generate or any hint email</p>

CONFIDENTIAL

<p style="text-align: right;">Page 162</p> <p>1 that we would send to them specifically.</p> <p>2 Q. Got it. And, again, the hint email is --</p> <p>3 the hints are created via a best guess of what records</p> <p>4 may interest a person based on their family tree that</p> <p>5 they've created, correct?</p> <p>6 A. That is correct.</p> <p>7 Q. And, so, you agreed, I think, much earlier</p> <p>8 today that those hint records can be pulled from any of</p> <p>9 the records in Ancestry and the algorithm just does its</p> <p>10 best to identify what may be relevant?</p> <p>11 A. That's correct. The algorithm does its</p> <p>12 best to say based on what you've told us you're looking</p> <p>13 for by the expression of your family tree, the people</p> <p>14 that you've included in your family tree, think of it</p> <p>15 as a proactive search on our part to try to find</p> <p>16 matching records for you that you could come and review</p> <p>17 and decide for yourself, again, if they are a match or</p> <p>18 not, and many of them may not be.</p> <p>19 Our goal is to be as accurate as we can be</p> <p>20 and then you indicate that to us by saving that record</p> <p>21 to your tree and that's when we know we have presented</p> <p>22 a good hint, a good match.</p> <p>23 Q. Do you know definitively sitting here</p> <p>24 today whether any of Anthony Sessa or Mark Sessa's</p> <p>25 yearbook records have been included in a hint email?</p>	<p style="text-align: right;">Page 164</p> <p>1 save them. I'm sure for sake of storage purposes,</p> <p>2 things, there may be a volume at which we might, you</p> <p>3 know, clean some of that up a little bit, some of the</p> <p>4 oldest generated hints, you know, from the past, but</p> <p>5 for the most part, those are there typically available</p> <p>6 long-term for the user.</p> <p>7 Q. Okay. So do you think that Ancestry has</p> <p>8 records of hint emails sent from between December 2016</p> <p>9 and the present?</p> <p>10 A. Records of hints that we generated, yes, I</p> <p>11 would anticipate that we would. Record of hint emails</p> <p>12 sent, I don't know.</p> <p>13 Q. Okay.</p> <p>14 A. Again, just the association there is the</p> <p>15 hint, there's no hint email -- there's no hint in the</p> <p>16 email unless we generate the hint and we don't generate</p> <p>17 the hint unless the user tells us what we should be</p> <p>18 searching for on their behalf. So where their</p> <p>19 interest, we're just responding to their interest that</p> <p>20 they've expressed.</p> <p>21 Q. All right. We'll look at that. We mostly</p> <p>22 covered topic 16 with that discussion, which is the</p> <p>23 process and flow by which marketing emails are sent,</p> <p>24 but I do want to look at one exhibit related to that.</p> <p>25 A. Okay.</p>
<p style="text-align: right;">Page 163</p> <p>1 A. I don't know that they have been included</p> <p>2 in a hint email.</p> <p>3 Q. You don't know one way or the other?</p> <p>4 A. I don't know one way or the other. I'm</p> <p>5 fairly certain they have not been included in a hint</p> <p>6 email, but again, we can confirm that.</p> <p>7 Q. So there's a way to search every hint</p> <p>8 email that has ever been sent to see if their records</p> <p>9 have been included?</p> <p>10 A. No, we could start by looking to see if</p> <p>11 there were hints generated that matched their records.</p> <p>12 That would be where I would start.</p> <p>13 Q. Understood.</p> <p>14 A. And if not, and if not, then there could</p> <p>15 not have been any hint emails sent that included them.</p> <p>16 But that hint email would only be sent to someone in</p> <p>17 response to them searching for the plaintiff's name and</p> <p>18 by including them on their family tree.</p> <p>19 Q. How long does Ancestry retain hints that</p> <p>20 are generated?</p> <p>21 A. That varies. We store them for a very</p> <p>22 long time, obviously, because they're still relevant to</p> <p>23 the user until the user has come and reviewed them and</p> <p>24 made a determination whether that's indeed, you know,</p> <p>25 their mother or their grandmother in the record and</p>	<p style="text-align: right;">Page 165</p> <p>1 (Exhibit 18 marked)</p> <p>2 Q. I've marked Exhibit 18, which is Ancestry</p> <p>3 699. I think this is -- here.</p> <p>4 A. Difficult one to see, but I think I've got</p> <p>5 it.</p> <p>6 Q. That's as big as it goes.</p> <p>7 A. Let's see if I can see it there.</p> <p>8 Q. I want to know if you have any idea what</p> <p>9 this document is showing because I do not.</p> <p>10 A. In the -- could you scroll to the right</p> <p>11 just so we can understand what else is said and then</p> <p>12 down to the bottom, please. Thank you. So database</p> <p>13 1265 is the U.S. yearbook collection. This is a search</p> <p>14 of a database table that stores the records of hints</p> <p>15 sent in a weekly hint email.</p> <p>16 So this is what we do -- the information</p> <p>17 that we do have, again, probably for a period of time</p> <p>18 around weekly hint emails that were sent and that is</p> <p>19 looking at the U.S. yearbook collection for specific</p> <p>20 record ID's and I'm assuming these record ID's are the</p> <p>21 plaintiffs -- associated with the plaintiffs and that</p> <p>22 is what is being queried and I'm seeing no results,</p> <p>23 zero records as a result of that query.</p> <p>24 Q. Okay. But again, you don't know how long</p> <p>25 those weekly hint emails are retained such that they</p>

CONFIDENTIAL

<p style="text-align: right;">Page 166</p> <p>1 could be searched in this database; is that correct?</p> <p>2 A. That's correct. I'm just not personally</p> <p>3 aware, but that is something that we can know and may</p> <p>4 very well be, you know, long historical for a decade.</p> <p>5 I just -- we can clarify.</p> <p>6 Q. Okay.</p> <p>7 A. Thank you for zooming in on that.</p> <p>8 Q. No problem. All right. Let's go off the</p> <p>9 record for a minute.</p> <p>10 VIDEOGRAPHER: The time now is 2:54 p m.</p> <p>11 We are off the record.</p> <p>12 (Break)</p> <p>13 VIDEOGRAPHER: The time now is 3:18 p m.</p> <p>14 We are back on the record.</p> <p>15 Q. Okay, Mr. Godfrey, I'm going to move on to</p> <p>16 the 30(b)(6) topics, which is topic 15, the process and</p> <p>17 flow of Ancestry's website, Ancestry.com, when a</p> <p>18 non-subscribing user searches for a yearbook name or</p> <p>19 yearbook photograph, including all landing pages,</p> <p>20 on-site messages or other pop-up's.</p> <p>21 Before I get started, I wanted to ask you</p> <p>22 has Ancestry removed either of the plaintiffs' yearbook</p> <p>23 records from Ancestry.com?</p> <p>24 A. I don't believe we have.</p> <p>25 Q. All right. So I'm going to share my</p>	<p style="text-align: right;">Page 168</p> <p>1 website?</p> <p>2 A. It does.</p> <p>3 Q. All right. So if I wanted to continue and</p> <p>4 conduct a search for an individual's yearbook record,</p> <p>5 what would I do next?</p> <p>6 A. Up at the top next to the Ancestry logo</p> <p>7 you see trees and then search, you could click on</p> <p>8 search.</p> <p>9 Q. Okay. And there's a pop down of various</p> <p>10 all collections, census, et cetera. What should I</p> <p>11 click on?</p> <p>12 A. You can click search all collections.</p> <p>13 Let's start there.</p> <p>14 Q. So is this the main search page for</p> <p>15 Ancestry's record collection?</p> <p>16 A. This is and this would search all of the</p> <p>17 records that we have across all categories and then on</p> <p>18 the right you see some of the categories of records</p> <p>19 that you can filter down on.</p> <p>20 Q. And under which of these categories on the</p> <p>21 right-hand side would yearbook records appear?</p> <p>22 A. Just to the bottom of the map you see on</p> <p>23 the right, you see schools, directories and church</p> <p>24 histories?</p> <p>25 Q. Yes.</p>
<p style="text-align: right;">Page 167</p> <p>1 screen with you.</p> <p>2 MS. BORRELLI: And, Andrea, this is where</p> <p>3 I'd like to create an exhibit of a video of navigation</p> <p>4 through the exhibit while Mr. Godfrey is testifying.</p> <p>5 All right?</p> <p>6 Q. Mr. Godfrey, do you see the landing page</p> <p>7 for Ancestry?</p> <p>8 A. Yes, it's working.</p> <p>9 MS. BORRELLI: And I believe this will be</p> <p>10 Exhibit 19 once it is created. Andrea, do you have</p> <p>11 everything set up as you need it?</p> <p>12 VIDEOGRAPHER: I do.</p> <p>13 Q. I'm going to get started then.</p> <p>14 Mr. Godfrey, is what you see on the screen in front of</p> <p>15 you right now appears to be the public Ancestry.com</p> <p>16 landing page?</p> <p>17 A. It does.</p> <p>18 Q. And if I wanted to conduct a search for an</p> <p>19 individual, an individual's yearbook records, where</p> <p>20 would I go from here? What do I click on?</p> <p>21 A. That would be under the genealogy section.</p> <p>22 You could start there.</p> <p>23 Q. Okay, I will click on genealogy. And now</p> <p>24 redirected to that page, does this appear to be the</p> <p>25 main page for the genealogy section of the Ancestry.com</p>	<p style="text-align: right;">Page 169</p> <p>1 A. Let's click in that area.</p> <p>2 Q. Do you want me to click on schools,</p> <p>3 directories and church histories or on more?</p> <p>4 A. On schools, the schools line there would</p> <p>5 be great.</p> <p>6 Q. Okay.</p> <p>7 A. And this would search all the collections</p> <p>8 that are in that subcategory, but on the right there</p> <p>9 you can see under feature data collections the U.S.</p> <p>10 school yearbooks 1900 to 2016 collection, so let's</p> <p>11 click on that.</p> <p>12 Q. All right.</p> <p>13 A. Now we're brought to the page that we</p> <p>14 looked at previously, which is the search page</p> <p>15 specifically for this collection.</p> <p>16 Q. So why don't we conduct a search through</p> <p>17 here and then I want to go back to the main search page</p> <p>18 and conduct the search through there and narrow, but</p> <p>19 first of all, let's do the search on the main yearbooks</p> <p>20 search page. So if it's okay with you, why don't we</p> <p>21 search for one of the named plaintiffs in this case?</p> <p>22 A. Okay.</p> <p>23 Q. So let's do Mark. So I typed in the first</p> <p>24 name, and Sessa, which I'm typing into last name.</p> <p>25 Should we be adding any additional information to this</p>

CONFIDENTIAL

<p style="text-align: right;">Page 170</p> <p>1 search to help us narrow it down?</p> <p>2 A. Entered like this it would be looking</p> <p>3 across the entire collection so geographically across</p> <p>4 the whole U.S., for example, so you may narrow it down</p> <p>5 by lived in, you can include the state they live in for</p> <p>6 example.</p> <p>7 A. We will do Nevada, Nevada U.S.A. All</p> <p>8 right, and then click search?</p> <p>9 A. Click search.</p> <p>10 Q. All right. So at the top of this search</p> <p>11 results list, looks like it returned 29 records. I see</p> <p>12 four in Nevada U.S.A. for Mark Sessa. Do you see that?</p> <p>13 A. I do.</p> <p>14 Q. And then do the hover over view record.</p> <p>15 Does this pop-up when you hover over view record appear</p> <p>16 to be consistent with the screenshot we looked at in</p> <p>17 the complaint earlier today?</p> <p>18 A. It does.</p> <p>19 Q. It includes a button for sign up now,</p> <p>20 correct?</p> <p>21 A. Correct.</p> <p>22 Q. And if I click sign up now, I'm gonna go</p> <p>23 ahead and do that and you testified earlier that that</p> <p>24 would take me to a page with subscription information,</p> <p>25 correct?</p>	<p style="text-align: right;">Page 172</p> <p>1 you click on that picture icon?</p> <p>2 A. Sure, again, takes you to the same page to</p> <p>3 help them understand the options for subscribing for</p> <p>4 the service where they can view yearbook records</p> <p>5 further and all the other services of the site.</p> <p>6 Q. Okay. I've taken us back to the search</p> <p>7 results page for the yearbook search for Mark Sessa.</p> <p>8 Is there any other functionality on this page that we</p> <p>9 can look at?</p> <p>10 A. No other functionality. Again, just the</p> <p>11 purpose of the page is to help the user understand the</p> <p>12 types of things that they can discover and that there</p> <p>13 are potential matches for people they're interested in</p> <p>14 and then lead them to an explanation of how they can</p> <p>15 subscribe for the services to explore further.</p> <p>16 Q. Okay. And if I want to go back to the</p> <p>17 main search page, where would I click?</p> <p>18 A. If you click on the left on all</p> <p>19 categories, do you see that there? And it removes the</p> <p>20 filter of schools and school lists and would bring us</p> <p>21 back to searching of all the collections, so let's try</p> <p>22 that.</p> <p>23 Q. Okay. Clicking on all categories. All</p> <p>24 right. Can you explain what this search result screen</p> <p>25 is showing?</p>
<p style="text-align: right;">Page 171</p> <p>1 A. Yes, it takes you to the page that</p> <p>2 outlines the various subscription packages available</p> <p>3 that, in addition to other things, could provide access</p> <p>4 to look at the yearbook collection further.</p> <p>5 Q. All right. So I clicked on that sign up</p> <p>6 now and it shows the U.S. discovery, world explorer and</p> <p>7 all access subscription options. Okay, I'm gonna go</p> <p>8 back to our search results for Mark Sessa. All right.</p> <p>9 If I hover over the -- there's no pop-up for hovering</p> <p>10 over the picture icon; is that right?</p> <p>11 A. Could you reload the page?</p> <p>12 Q. Yeah. Is there supposed to be a pop-up</p> <p>13 there?</p> <p>14 A. I'm just trying to recall myself. Hover</p> <p>15 over view record, if you would.</p> <p>16 Q. And there's the pop-up.</p> <p>17 A. Maybe a recent change, but yes, as we</p> <p>18 looked at before, sometimes there's a hover available</p> <p>19 over that image as well -- or that image icon as well.</p> <p>20 Q. Okay. So I'm going to try to click on an</p> <p>21 image to see what image is associated with this Mark</p> <p>22 Sessa record. Does that make sense?</p> <p>23 A. Okay.</p> <p>24 Q. All right. And can you describe what's</p> <p>25 returned when you -- or where you're redirected when</p>	<p style="text-align: right;">Page 173</p> <p>1 A. Sure. We went to it a different way,</p> <p>2 again, through the yearbook search, but this should now</p> <p>3 be searching all the collections that we have that are</p> <p>4 potential matches for the search terms, which are Mark</p> <p>5 Sessa, as you entered them.</p> <p>6 Q. And do you see this part my mouse is</p> <p>7 circling, it has broad, exact and it has buttons you</p> <p>8 can drag?</p> <p>9 A. Uh-huh (affirmative).</p> <p>10 Q. Can you explain what that is, please?</p> <p>11 A. Well, sure. We're making our best attempt</p> <p>12 to try to find the best matches, the closest matches to</p> <p>13 the name, dates, other information that you entered as</p> <p>14 part of the search. These levers or dials simply allow</p> <p>15 the user to kind of choose to be more specific or less</p> <p>16 specific to tune that search to tune the results.</p> <p>17 So if you took the dial on Sessa, for</p> <p>18 example, and made it more broad, it would look for</p> <p>19 other spellings and names that are close to that, for</p> <p>20 example and, so, it's simply a tuning mechanism. The</p> <p>21 same thing with the location.</p> <p>22 Q. Understood. All right. I'd like to start</p> <p>23 over with a new search and we can search for Anthony</p> <p>24 Sessa's name and just go about it a different way. If</p> <p>25 I wanted to get back to the main search page, do I</p>

CONFIDENTIAL

<p style="text-align: right;">Page 174</p> <p>1 click search at the top again?</p> <p>2 A. You can just click search and all records</p> <p>3 from that drop-down box or drop-down list there, all</p> <p>4 collections.</p> <p>5 Q. All collections. Okay. So this time</p> <p>6 let's search for Anthony Sessa in Nevada and if I click</p> <p>7 search here, does that search all collections available</p> <p>8 on Ancestry?</p> <p>9 A. Yes.</p> <p>10 Q. I'm gonna click that. So this appears to</p> <p>11 be a list of search results, correct?</p> <p>12 A. It does.</p> <p>13 Q. From here how would a user narrow to</p> <p>14 yearbook records if they were interested in that?</p> <p>15 A. So the yearbook yearbooks and school</p> <p>16 records are found here in this navigation under</p> <p>17 directories, right there, uh-huh (affirmative).</p> <p>18 Q. Okay. I've expanded that.</p> <p>19 A. And then you see towards the end of that</p> <p>20 list school lists and yearbooks?</p> <p>21 Q. Yes. Should I click on that?</p> <p>22 A. Sure. And, again, this is for a variety</p> <p>23 of collections there at the top, you see the U.S.</p> <p>24 school yearbooks 1900.</p> <p>25 Q. Okay.</p>	<p style="text-align: right;">Page 176</p> <p>1 record and then a link to sign up, which takes you to</p> <p>2 the options for a subscription package.</p> <p>3 Q. And again, if I clicked on the image</p> <p>4 thumbnail here, what would happen?</p> <p>5 A. The same, you'd be taken to that same</p> <p>6 page.</p> <p>7 Q. The page for the subscription information?</p> <p>8 A. Yes.</p> <p>9 Q. All right. I think that is it for</p> <p>10 creating that exhibit. We can stop that. I will stop</p> <p>11 my share.</p> <p>12 (Exhibit 19 marked)</p> <p>13 Q. All right. Mr. Godfrey, I don't have any</p> <p>14 further questions for you. I appreciate your time</p> <p>15 today.</p> <p>16 A. Thank you.</p> <p>17 MR. BAUMANN: Some confidential documents</p> <p>18 were used today, so do we want to agree now on the</p> <p>19 record to designate this as confidential? I can't</p> <p>20 recall exactly what the PO says about that.</p> <p>21 MS. BORRELLI: We can treat it as</p> <p>22 confidential until you have time to review it, yeah,</p> <p>23 that's fine.</p> <p>24 VIDEOGRAPHER: The time now is 3:33 p m.</p> <p>25 We are off the record.</p>
<p style="text-align: right;">Page 175</p> <p>1 A. That is the one opened as we've been</p> <p>2 discussing.</p> <p>3 Q. All right. I'll click on that. And at</p> <p>4 the top of that search result there are a bunch of New</p> <p>5 Jersey and Anthony Sessa's. What's the best way to get</p> <p>6 to a Nevada Anthony Sessa?</p> <p>7 A. One of the things you could do is use the</p> <p>8 dials at the top left, you see any Nevada U.S.A. and</p> <p>9 move that exact.</p> <p>10 Q. I will do that and click apply?</p> <p>11 A. Yes, and click apply and now we're</p> <p>12 filtered uniquely on Nevada location matches.</p> <p>13 Q. Got it. So no Anthony Sessa's returned in</p> <p>14 this search.</p> <p>15 A. No, you see that the dials for Anthony and</p> <p>16 Sessa are set more broadly so, again, we're looking for</p> <p>17 alternate spellings or close matches and this is what</p> <p>18 we're finding.</p> <p>19 Q. Understood. Okay. But under -- and when</p> <p>20 the search results are reached this way when you hover</p> <p>21 over view record, what appears?</p> <p>22 A. This is what appears, a thumbnail image of</p> <p>23 the page, just so users understand there is a page to</p> <p>24 be seen and more detail to be explored, a list of some</p> <p>25 of the field of information that we might have for that</p>	<p style="text-align: right;">Page 177</p> <p>1 (Proceedings concluded 3:33 p.m.)</p> <p>2</p> <p>3</p> <p>4</p> <p>5</p> <p>6</p> <p>7</p> <p>8</p> <p>9</p> <p>10</p> <p>11</p> <p>12</p> <p>13</p> <p>14</p> <p>15</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>

Federal Rules of Civil Procedure

Rule 30

(e) Review By the Witness; Changes.

(1) Review; Statement of Changes. On request by the deponent or a party before the deposition is completed, the deponent must be allowed 30 days after being notified by the officer that the transcript or recording is available in which:

(A) to review the transcript or recording; and

(B) if there are changes in form or substance, to sign a statement listing the changes and the reasons for making them.

(2) Changes Indicated in the Officer's Certificate. The officer must note in the certificate prescribed by Rule 30(f)(1) whether a review was requested and, if so, must attach any changes the deponent makes during the 30-day period.

DISCLAIMER: THE FOREGOING FEDERAL PROCEDURE RULES ARE PROVIDED FOR INFORMATIONAL PURPOSES ONLY.

THE ABOVE RULES ARE CURRENT AS OF APRIL 1, 2019. PLEASE REFER TO THE APPLICABLE FEDERAL RULES OF CIVIL PROCEDURE FOR UP-TO-DATE INFORMATION.

VERITEXT LEGAL SOLUTIONS
COMPANY CERTIFICATE AND DISCLOSURE STATEMENT

Veritext Legal Solutions represents that the foregoing transcript is a true, correct and complete transcript of the colloquies, questions and answers as submitted by the court reporter. Veritext Legal Solutions further represents that the attached exhibits, if any, are true, correct and complete documents as submitted by the court reporter and/or attorneys in relation to this deposition and that the documents were processed in accordance with our litigation support and production standards.

Veritext Legal Solutions is committed to maintaining the confidentiality of client and witness information, in accordance with the regulations promulgated under the Health Insurance Portability and Accountability Act (HIPAA), as amended with respect to protected health information and the Gramm-Leach-Bliley Act, as amended, with respect to Personally Identifiable Information (PII). Physical transcripts and exhibits are managed under strict facility and personnel access controls. Electronic files of documents are stored in encrypted form and are transmitted in an encrypted fashion to authenticated parties who are permitted to access the material. Our data is hosted in a Tier 4 SSAE 16 certified facility.

Veritext Legal Solutions complies with all federal and State regulations with respect to the provision of court reporting services, and maintains its neutrality and independence regardless of relationship or the financial outcome of any litigation. Veritext requires adherence to the foregoing professional and ethical standards from all of its subcontractors in their independent contractor agreements.

Inquiries about Veritext Legal Solutions' confidentiality and security policies and practices should be directed to Veritext's Client Services Associates indicated on the cover of this document or at www.veritext.com.
